HISTORY OF THE SCHOOL

St. Pius X Parish School is located in Santa Fe Springs, California, situated in the southeastern part of Los Angeles County, in the San Pedro Region of the Archdiocese of Los Angeles. The school is located in a mixed suburban and industrial community. The St. Pius X Parish boundaries encompass all of Santa Fe Springs and a portion of Norwalk situated north of Imperial Highway, west of Norwalk Boulevard and east of Studebaker Road. St. Pius X Parish School opened in September, 1955 with an enrollment of 100 first grade students. Classes began in two classrooms secured on lease from St. Marianne's School in Pico Rivera. By the fall of 1960, the school had become a double-graded program from first through eighth grade. The first graduating class received their diplomas in June of 1961. Gradually, the school narrowed down to single-graded classes in the mid 1970's, and the last double-graded class graduated in June of 1982.

The Sisters of Mercy staffed the school until June of 1988. The first lay principal was hired in the summer of 1988, and the school has continued under the leadership of lay administration since. The school library was opened in the fall of 1982. It has become fully automated and has been staffed by a full time librarian since 1987. The librarian coordinates and monitors the school's Accelerated Reader Program and works closely with the teachers to ensure student success. In the fall of 1987 the computer lab was opened, and was later upgraded in 1999. In the winter of 2005 a wireless network and server were installed. The computer lab is continually maintained and brought up to date with necessary security measures in order to protect all students and the school's equipment.

In the fall of 1983, a half-day Kindergarten program began, and by 1990, the program became a full-day class. The Pre-School program opened in the fall of 1990. The pre-school hired a full-time director in the summer of 1998 and became a fully-licensed facility in the spring of 2000. In 1986, an Extended Daycare Program was opened for all students. Care for students is provided before school beginning at 7:15 AM and after school until 6:00 PM. The program offers both supervised study time and planned recreational activities.

St. Pius X Parish School was last fully accredited in 2018 for a six-year period by the Western Association of Schools and Colleges and the Western Catholic Education Association. The school is also a member of the National Catholic Education Association.

CODE OF CHRISTIAN CONDUCT COVERING, STUDENTS, GUARDIANS AND OTHER RESPONSIBLE

ADULTS Students can best receive a quality, morally based education if students, parents/guardians, and school officials work together. Normally, these parties can resolve their differences. In some rare instances, however, the school may find it necessary, in its discretion, to require parents/guardians to withdraw their child.

As an express condition of enrollment, students and parents/guardians shall follow standards of conduct that are consistent with the Christian principles of the school, as determined by the school in its discretion. These principles include but are not limited to any policies or procedures set forth in the school's parent/student handbook.

These Christian principles include but are not limited to:

- Parents/guardians are expected to work courteously and cooperatively with the school to assist the student in meeting the academic, moral, and behavioral expectations of the school.
- Students and parents/guardians may respectfully express their concerns about the school operation and its

personnel. However, they may not do so in a manner that is discourteous, scandalous, rumor driven, disruptive, threatening, hostile, or divisive.

- In a place where a school employee is required to be in the course of his or her duties, any parent/guardian or other person whose conduct materially disrupts class work or extracurricular activities or involves substantial disorder may be guilty of a misdemeanor. This statement does not apply to any otherwise lawful employee-concerted activity, including but not limited to picketing and distributing handbills.
- Any parent/guardian or other person could risk his or her child's continuation in school if he or she insults or abuses the principal or any staff member in the presence of students, parents/guardians, or other school personnel while on school premises, public sidewalks, public streets, other public ways adjacent to school premises, or at some other place if the principal or teacher is required to be there in connection with assigned school activities.

These expectations for students and parents/guardians include but are not limited to all school-sponsored programs and events (e.g., extended care, athletics, and field trips).

The school reserves the right to determine, in its discretion, when conduct is severe enough to warrant immediate action without warning and/or without an intermediate step short of withdrawal.

CONSULTATIVE SCHOOL BOARD AND PARENT OR PARENT-TEACHER ORGANIZATIONS

Every elementary school in the Archdiocese of Los Angeles is expected to have an established and functioning consultative school board established by school administration.

The consultative school board normally assists and consults on a number of issues such as planning, policy development, financing, development, technology, public relations, buildings and grounds, alumni relations, marketing and evaluation of the board's goals, and activities of the board. The consultative school board works with other established groups in the school and parish community, including the parent-teacher organization, and the Parish Finance Council. No more than one-third of the board membership should be the parents/guardians of currently enrolled students.

Parent organizations in elementary schools are important: they promote parent/guardian support for the school program, increase mutual understanding between the school and parents/guardians, build a sense of school community, and assist in the financial support of the school. The Department of Catholic Schools encourages the formation of parent (or parent-teacher) organizations that follow the current archdiocesan policies.

Parent organizations:

- Are advisory in nature
- Have no legal status apart from the school and therefore may not be separately incorporated
- Function in accordance with a written constitution and bylaws that comply with all current provisions of archdiocesan policy that govern the structure and operation of such an organization
- Are subject to all Department of Catholic Schools regulations and policies

Membership

The membership of the parent organization shall include the principal, parents/guardians of currently enrolled students, and religious and lay faculty (if the organization is a parent- teacher organization). The principal shall have the right to approve officers and other members of the executive committee during the nomination process. The principal shall be an ex-officio member of the executive committee of the organization.

ADMISSIONS, TUITION & FEES

The following information is both approved and mandated by the Archdiocese of Los Angeles. For more details, updates, and current information visit <http://handbook.la-archdiocese.org/>.

GUIDELINES FOR ADMISSION TO ELEMENTARY SCHOOLS

- Each school should establish procedures for admission and enrollment.
- Preferences shall be given to active members of the parish.
- Under archdiocesan guidelines for financial considerations, the optimum number of students per classroom is 35.
- The recommended age for transitional kindergarten students is four years of age on or before September 1.
- The recommended age for kindergarten students is five years of age on or before September 1.
- The recommended age for first grade students is six years of age on or before September 1.
- All students must comply with **current California immunization and health requirements** prior to enrollment.
- The parish school will strive to provide an accessible Catholic education to as many students as possible, both with its educational programs and financial considerations; however, the school may have insufficient resources to meet the educational and financial needs of all students.
- The pastor and principal will review students' continued eligibility for enrollment in the parish school.

EXAMINATIONS AND INOCULATIONS

The **California Health and Safety Code** requires students to provide proof of immunization for school entry and also requires schools with kindergarten or seventh grade to assess and report annually on the immunization status of students in these grades. Schools report online at Shots for School. Issued annually by the State of California, all directives regarding immunization shall be implemented.

Up-to-date information on immunization requirements can be found at **Shots for School**, the **County of Los Angeles Department of Public Health**, and the **California Code of Regulations section on immunization**.

School procedures pertaining to the health of students must be communicated in writing to parents/guardians, generally in the parent/student handbook. Students, with the permission of the parents/guardians, may be subject to routine examinations in school, including hearing, vision, dental, head lice, and scoliosis.

All immunizations must be documented and signed by a doctor or health provider.

SCHOOL STUDENT NON-DISCRIMINATION POLICY The school, mindful of its mission to be a witness to the love of Christ for all, admits students regardless of race, color, national origin, and/or ethnic origin to all rights, privileges, programs, and activities generally accorded or made available to students at the school.

The school does not discriminate on the basis of race, color, disability, medical condition, sex, or national and/or ethnic origin in the administration of educational policies and practices, scholarship programs, and athletic and other school-administered programs, although certain athletic leagues and other programs may limit participation and some archdiocesan schools operate as single-sex schools.

While the school does not discriminate against students with special needs, a full range of services may not always be available to them. Decisions concerning the admission and continued enrollment of a student in the school are based upon the student's emotional, academic, and physical abilities and the resources available to the school in meeting the student's needs.

NON-DISCRIMINATION DOCUMENTATION

The Internal Revenue Service requires non-public schools to maintain a School Student Non-Discrimination Policy so those schools are recognized as tax exempt. Archdiocesan schools must demonstrate this policy by annually publishing the School Student Non-Discrimination Policy. For parish schools, the pastor should publish the

School Student Non-Discrimination Policy in the parish bulletin. The school should retain a copy of this parish bulletin in the school file. The statement of non-discrimination also should be published each year in the staff handbook, parent/student handbook, and admissions materials. All schools should submit documentation of the published policy to the Department of Catholic Schools.

- Games or sports with children should be engaged in only in the presence of adults, or in a place openly accessible and visible to adults
- Should keep the door open or be visible through door windows while in a room with children or youth
- Should not discuss topics or use vocabulary with children or youth that could not be comfortably used in the presence of parents/guardians or the school principal
- Should never give gifts or mementos to individual children or youth unless this is authorized by the principal
- Must respect the physical boundaries of children and youth; children and youth must never be touched punitively, nor should they be touched in any way that could be construed as inappropriately affectionate

GUIDELINES FOR ADULTS INTERACTING WITH MINORS AT PARISH/PARISH SCHOOL

ACTIVITIES/EVENTS Adults acting in a staff, faculty, ministerial or other paid or volunteer position in the Archdiocese are role models who are called to treat each minor with respect and care. Clergy/staff members/faculty/volunteers serving either in a paid or volunteer position need to maintain professional relationships with minors whether on or off the parish or parish school locations. ***Please review the following***

guidelines and sign the “Acknowledgement of Receipt” for the file at the parish or school where you work or volunteer.

Clergy/staff members/faculty/volunteers will ensure that minors are properly supervised at all times, thus providing them a safe environment. Minors must be viewed as “restricted individuals” because they are not adults and are not independent.

- If clergy/staff members/faculty/volunteers who are supervising minors observe a situation where civil law, parish and/or school rules are being violated, they must take appropriate action immediately.
- Clergy/staff members/faculty/volunteers should always be aware they have considerable personal power because of their ministerial positions. Therefore, they will maintain respectful ministerial relationships, avoiding manipulation and other abuses of power.
- Clergy/staff members/faculty/volunteers must avoid assuming the role of a “father or mother figure,” which may create an excessive emotional attachment for all parties.
- Attraction between adults and minors is possible, and care and caution should be taken in all interactions.
- The parish/school administration should be informed immediately if such an attraction exists. Dating or sexual relationships between a clergy/staff member/faculty/volunteer and a minor are inappropriate and unethical. Dating or sexual relationships between a clergy/staff member/faculty/volunteer and a minor are unlawful.
- Communications with minors (e.g., notes, letters, e-mail and Internet exchanges, telephone calls) must be for professional reasons only.
- Discussions of a sexual nature must always take place in an appropriate educational context. Sexual jokes, slang or innuendo are inappropriate when interacting with minors.
- Clergy/staff members/faculty/volunteers will respect confidential information concerning minors or confidential information of a personal nature shared by a minor. However, if a minor shares confidential information that could pose a threat to the minor or to others, the clergy/staff member/faculty/volunteer has an obligation to notify the proper authorities.
- When clergy/staff members/faculty/volunteers are supervising minors or young adults at parish or parish school-sponsored activities, they may not be under the influence of alcohol, may not consume alcohol in the presence of persons under age 21, nor offer alcohol to them.
- When a clergy/staff member/ faculty/volunteer is alone in a room with a minor, the door must be open, or there must be clear visibility through windows.
- Clergy/staff members/faculty/volunteers are to engage in games or sports activities with minors only in the presence of other adults, or in a place openly accessible/visible to others.
- Clergy/staff members/faculty/volunteers planning parish/school events in their homes with minors must have the permission of the parish/school administration. In addition, clergy/staff members/faculty/volunteers may not have any minors in their homes without the knowledge of the minor’s parent or guardian.
- Clergy/staff members/faculty/volunteers may not drive minors unless it is to or from a parish/parish school-sponsored activity and may never drive alone with a minor. Driving minors requires parental permission slips that indicate the transportation is by personal vehicle. The parish/parish school administration must approve any use of personal vehicles. Trips involving minors must have a sufficient number of adult chaperones and minors to preclude the appearance of inappropriate personal involvement with minors.
- Parent/guardian written permission is required for the publication of a picture of a minor.
- Adults are permitted to interact alone with minor/minors only after complying with Archdiocesan policies regarding fingerprinting and safe environment training.

BOUNDARY GUIDELINES FOR JUNIOR HIGH & HIGH SCHOOL YOUTH WORKING/VOLUNTEERING WITH CHILDREN/YOUTH

Every year, the Archdiocese of Los Angeles Boundary Guidelines and Code of Conduct for Middle and High School Youth Working or Volunteering with Children or Youth (English version and Spanish version) must be distributed to, reviewed by, and signed by all youth volunteers (junior high and high school students, including students who are already 18 years old) who work or volunteer with children or youth. The location must provide annual training on these boundary guidelines. The form's signed acknowledgment of receipt must be on file at the parish or school (see "Safe Environment Training Documents" in the Record Retention Schedule, sorted by category and record type). The form is attached as *Appendix A*.

PARENT/STUDENT COMPLAINT REVIEW PROCESS Concern for the dignity and rights of each person are intrinsic to the Church's mission as a true witness to the spirit of the Gospel.

Conflicts may occur among students, parents/guardians, and school staff, and all parties are encouraged to use every available means to resolve these conflicts when they occur. However, if the involved parties are unable to resolve their conflicts, families may use the complaint review process for additional assistance. All those participating in the complaint review process are responsible for striving toward reconciliation and acting in good faith. Legal representation is not permitted at any meeting or mediation of the complaint review process. Any person filing a complaint is to be free from restraint, coercion, discrimination, or reprisal in any form. The complaint review process must be included in the parent/student handbook.

Addressing Complaints at the Local Level: Schools

- The person bringing the complaint is encouraged to try to resolve the complaint by discussing it with the people who are directly involved at the school.
- If the complaint is not resolved, the person bringing the complaint should discuss it with the principal (or the pastor, if the principal is the subject of the complaint).
- For elementary schools, if the principal is unable to resolve the conflict, the principal will bring the pastor into the process as appropriate.
- After reviewing the facts and facilitating discussion of the problem, the principal or pastor will respond to the person bringing the complaint.

Escalating Complaints to the Central Level: Department of Catholic Schools

- If the complaint is not resolved at the local level, the complaint may be submitted in writing to the assistant superintendent at the Department of Catholic Schools, outlining the concerns and reviewing the local process.
- The assistant superintendent will review the complaint (with such consultation as may be appropriate) in a timely fashion and will endeavor to mediate and resolve the matter.
- However, if the parties cannot reach an agreement, the assistant superintendent will apply the policies and/or regulations of the archdiocese and school to make a final and binding determination, and then communicate that determination in writing to all parties.

INCLUSION PROCESS/STEP The Support Team Education Plan (STEP) is a collaborative process that brings

together students, parents/students, teachers, and administrators to seek positive solutions based on a student's strengths and special needs to help that student benefit from his or her education and to facilitate participation in the Catholic school curriculum. See the Support Team Education Plan (STEP) flowchart. Every school shall appoint a Support Team Education Plan administrator, who is the principal or principal's designee or the STEP coordinator ("administrator").

As soon as a student has an ongoing need for support in the classroom (whether identified by the student,

parents/guardians, and/or teacher), the teacher should begin keeping a record of classroom strategies and supports he or she has implemented to help the child, and concurrently work with the parents/guardians and notify the administrator. Using the Classroom Support Log, the teacher should record the date, note strategies attempted, note the results or effect of each strategy, and keep a record of parent/guardian communications. If the student shows progress after the teacher implements the strategy, the teacher should continue the support as needed.

If the student continues to experience difficulty in the learning environment, the teacher submits a Request for Support Team Education Plan (STEP) Meeting to the administrator.

Further information specific to the STEP/Inclusion Process prescribed by ADLA is available to view at

<http://handbook.la-archdiocese.org/chapter-14>

ABSENCE, TARDINESS, & TRUANCY Prompt and regular attendance is important. A student can never make up a day missed or crucial classroom instruction; even if assignments are completed. Classroom instruction is fundamental to student success.

If your child is ill, **please call the office before 7:55 a.m., using the school office number (562) 864-4818.** Your home or work will be called if your child is absent and the school has not been contacted.

Absence Principals and teachers are responsible for checking the regular attendance of all students. Every absence must be recorded on the attendance register and record. When a student has been absent, a written excuse signed by the parent or guardian is required, and the excuses are kept on file for a period of one year. An acceptable excuse includes illness, attendance at medical or dental appointments, funeral services for family members, quarantine directed by County or City Officials or emergency or special circumstances as determined by the school authorities. Excessive unexcused absences may result in loss of academic credit. *Please note that although a written excuse is required, an absence is still counted as an absence toward a student's permanent record.*

When a student has been absent a neatly written excuse that can be filed stating the reason and date of absence and signed by the parent is required even though the school was notified by phone. Students may not be admitted back to class without a written excuse.

Medical Appointments Absences due to medical appointments are recorded as regular absences. Early dismissal for medical or dental appointments will be granted when the parents/guardians make a request. Parents/guardians are urged to keep such requests to a minimum and make appointments after school hours or during vacation periods.

Written parental permission is required before a student is excused for medical or dental appointments, or any other reason. The parent or guardian must also check into the office and sign a release form before a student is released. The student will then be called into the school office by the school secretary. **Parents may not go directly to the classroom for any reason without permission and a visitor's pass.** Students must also sign in at the school office when they return from medical appointments.

Extended Absences When parents wish to take their children out of school temporarily, advance notice is essential. The principal and teacher will discuss with the parents the possible effects of an extended absence. If a student is

absent for an extended time, (e.g., 15 or more days), academic performance will be affected and official grades may be withheld.

Leaving School Early Leaving school early, prior to 2:30 pm, is considered a half-day absence. Leaving school after 2:30 pm is equivalent to an “early leave”. A student may not leave the school before the regular dismissal time without a written request from a parent or guardian. The request must state the reason for early dismissal.

Tardiness A student is tardy if he or she arrives after the time fixed by the school for the beginning of the morning or afternoon session. If the student arrives after 8:30 am, he or she is marked absent-half a day. A record of all tardiness is kept in the attendance register and records.

Students are expected to be at school by **7:50 a.m.** Those arriving after **7:55 a.m.** are considered tardy and ***must report to the office for admittance. Students will not be admitted into class unless the office has given the student an admittance slip.***

Excessive Absenteeism and Tardiness Students who are consistently absent or tardy may incur academic and behavior consequences. A student who is absent or tardy 6 or more days during a trimester will be considered excessive. Since homework will be collected immediately after the second bell, a student who is tardy will only receive partial credit for homework assignments on that day because the homework is late.

Truancy A student who is absent from school without an acceptable excuse three full days in one school year or is tardy or absent for more than any 30 minute period during the school day on three occasions in one school year, or any combination thereof, is a truant and shall be reported to the attendance office or superintendent of the public school district.

In the event that the school suspects that a student is truant (absent from school, without an acceptable excuse), the school administration will contact the parent or guardian. If the school suspects that the student is a habitual truant (absent three times in a school year, without an acceptable excuse) and all resources at the school level have been exhausted, the school principal will notify the local public Child Welfare and Attendance authorities.

A student who has been reported once as a truant and who is absent again from school one or more days, or is tardy on one or more days, without an acceptable excuse, will be reported again as a truant to the attendance office of the local public school district. A student who has been reported as truant three or more times is considered a habitual truant, and is subject to dismissal.

If a student has been absent without excuse, and it is impossible to contact the parent or guardian within 24 hours after repeated attempts, the attendance office of the local public school district, the local police department, Child Protective Services or all of those agencies will be notified.

COMMUNICATION BETWEEN HOME AND SCHOOL Ongoing communication and cooperation between home and school is essential in order to empower our children to be the best that they can be.

1. **School Website/Email blasts:** Important announcements and school information are available on the school website, www.spxraiders.com. The school will do its best to keep the website updated and current at all times. Email blasts will also be sent periodically to parents who are on the school email list.

2. **Family Newsletter:** A monthly Family Newsletter and monthly calendar will be emailed to all school families every **3rd Thursday of the month**. *It is imperative that each school family have an active email address on file at ALL times.* Separate attachments and flyers may be sent home periodically with the oldest child of each family.
3. **Classroom Newsletter/Updates:** Individual classroom teachers may choose to send home/email a classroom newsletter/updates covering important class information, along with the school family newsletter; updates regarding projects or other classroom issues may be sent home whenever necessary. Please check in with your child's classroom teacher about questions regarding individual classroom communication.
4. **Parent Student Handbook/Tentative Calendar:** A parent student handbook and a calendar of tentative school year dates/events will be emailed at the beginning of each school year. Amendments or changes to the parent handbook will be printed in the Family Newsletter and sent via email and/or flyers. A current monthly Calendar will be sent home the 3rd Thursday of each month, emailed to all school families, and made available on the school website.
5. **Progress Reports:** General progress reports are sent home at the midpoint of each trimester (5-6 weeks).
6. **Report Cards:** Report cards are sent home each trimester; the report card envelope is to be signed and returned to the homeroom teacher the following school day. There will be an \$8 replacement charge for any lost report card envelopes.
7. **Parent -Teacher Conferences:** Parent-teacher conferences are arranged during the 1st Trimester.
8. **Appointments with Teachers:** Appointments with teachers will be arranged when requested.
Appointments must be made through the teacher via a written or verbal arrangement. Parents should not approach a teacher before or after school for an impromptu meeting unless prior arrangements have been made. It is not appropriate for parents and teachers to discuss any school/student issues while other students are present in the classroom. Also, please note that teachers will not be called to the phone when class is in session. Private numbers of teachers will not be released.
9. **Appointments with the Principal:** The principal adheres to an "Open Door" policy when it comes to meeting with parents when the schedule allows. Meeting with the principal is most easily accessible with an appointment made via a written or verbal arrangement.

ARRIVAL PROCEDURES Students are to arrive at school by 7:50 am each school day. Parents may drop off their child (ren) in the school parking lot by following the drop off pattern and following the 5 MPH speed limit. Students may also be dropped off in front of the school if parking spaces permit. Supervision in the courtyard begins at 7:15 am. There is no morning daycare available.

Once students have been dropped off, they must wait outside of their classrooms for the 7:50 bell to ring. When the 7:50 am bell rings, teachers will open their classroom doors and students will be invited in to begin the school day. Please note that the school day is scheduled to begin promptly at 7:55. We ask that all parents/guardians be

courteous and refrain from gathering in the courtyard and/or engaging in impromptu conversations with the classroom teachers after the 7:55 bell to ensure students can begin their school day. Also note that drive in/through gates are closed promptly at 8am and cars should not be parked on the playground after 8:10am.

DAILY SCHOOL SCHEDULE* 7:50 A.M. **First Bell** Classrooms Open Mon.-Fri; 7:55 A.M **Second Bell** Official School Day Begins Mon.-Fri. (Students marked late); 7:55 A.M. SNACK & LUNCH Snacks Students are allowed time for snacks during the morning recess period. Students are not allowed to snack between or during classes. Chewing gum is not allowed at any time and will result in an automatic after- school detention.

Lunch Lunch is the responsibility of the parent of each St. Pius X Student. **Preferably, students should bring a lunch packed from home each day or order from the hot lunch Program.** St. Pius X Parish School provides a hot lunch program through El Camino. Please access the menu via online purchases.

Dropping off lunches during the school day, especially unhealthy fast food, is strongly discouraged and should be reserved for extreme circumstances or special occasions. If you choose to drop off a lunch for your child, we ask that lunches be in the office by 11:45 a.m for all grades. **Please DO NOT interrupt a class in session to deliver a snack or lunch and DO NOT stand outside to personally deliver your child's lunch.** Adults, including parents, must sign in each and every time they are on campus, even for very brief visits. Please remember that healthy meals, especially breakfast and lunch, provide students the energy they need for optimal learning and that nutrition has a significant impact on student academic performance and behavior.

AFTER SCHOOL DISMISSAL PROCEDURES At the conclusion of the school day, all students who have permission to walk home alone will be released from class without parent supervision. Only students who have returned a walk home permission slip signed by their parent or guardian will be allowed to walk home alone. Students with a "walker" permission slip must leave campus by 3:15 p.m and **go directly home or to a pre-designated destination such as a relative's home, they may not wait on campus or near campus for a ride.** Any "walker" on campus or near campus after 3:15 p.m. will be sent to day care and the family will be billed.

Any student that DOES NOT have a "walker" permission slip on file *will remain in their classrooms until a parent or guardian picks them up from their classroom.* Please respect that you are given from 3:00 p.m. to 3:15 p.m. as your "grace period". At 3:15 p.m., students enrolled in daycare and all other students who are still waiting to be picked up will be walked down to daycare. Students not enrolled in after school daycare will be billed \$15 for the day. **NO EXCEPTIONS WILL BE MADE.**

BICYCLES AND SKATEBOARDS For the safety of all students, bicycles, skateboards and/or scooters may not be ridden in the school courtyard or parking lot or on any grounds near or adjacent to the school grounds. This

includes, but is not limited to the area near or around the Saint Pius X Parish church. We reserve the right to confiscate any bicycle, skateboards, scooters, etc. if they are being ridden on the Parish/School grounds.

LOST ARTICLES – LOST AND FOUND *The school is not responsible for personal property lost at school.*

Students are asked not to bring any personal property to school aside from those items needed for their academic pursuits. NO valuables are to be brought to school – this includes large sums of cash, gift cards, personal sound systems, electronic games, head phones/ear buds, cell phones, trading cards(of any sort), Fidget Spinners/devices, lighters, matches, any item that could be used as a weapon, or **any items** of value **not required for class**. School sweaters, jackets, coats, lunch boxes, and other personal property must be marked with the owner's name and grade. Lost and found articles may be claimed after school in the nurse's office. Any article not claimed after one month will be donated to a local charity.

EMERGENCY CARD The Emergency Card for each student shall be complete and current, must be readily available to authorized employees, and shall indicate whether or not the parents/guardians have given the school permission to choose a physician in an emergency.

At the beginning of each school year as well as mid-year, the Emergency Card for each student should be completed by the parents/guardians. Subsequently, the parents/guardians must inform the school when there are changes to key information, including addresses for home or work, numbers for cell or work phones, names of persons to notify in case of an emergency, or medication prescriptions for the student.

In case of an emergency, the Emergency Card should be shown to the paramedics or emergency room staff in order to authorize treatment and advise them if a student has any particular medical needs or is on medication. Therefore, it is imperative that the Emergency Card information be accurate, complete, and current. Parents/guardians are required to update information about any medication the student takes on a regular basis.

When a student becomes ill or injured, the parents/guardians must be contacted immediately. If the parents/guardians cannot be reached, the school shall contact another person listed on the Emergency Card.

Only minor and very basic first aid should be provided by schools; no secondary treatment, such as changing or removing bandages, should be administered. Disposable gloves should be used.

Each location should have persons who are trained in emergency first aid procedures.

Parents/guardians must be contacted immediately if there is any question regarding the seriousness of or complications arising from an injury.

MEDICATIONS The school shall not furnish medications. All medications administered at school shall be provided by the parents/guardians.

- The Medication Authorization and Permission Form must be provided. This form, which states the nature of the medication, must be signed and dated by the doctor and the parents/guardians.
- Medication administered at school must be in the original container and labeled. The day's dosage must be sealed, be labeled, and have the student's name attached. It shall be in an appropriate container and be kept in the school office or nurse's office.
- The student shall come to the office for medication.
- Because of the risk of students sharing medications, students may not carry medication of any kind to be self-administered at school. If a student is seriously at risk without an EpiPen or inhaler on his or her person, the student may receive special consideration.
- A student may not be given medicine prescribed for family members.
- These medication regulations apply to both prescription and non-prescription medications.
- A student who is diabetic is allowed to test his or her blood sugar at school in the health room or office and

self-administer medication as necessary. If a student is too young or otherwise unable to self-test his or her blood sugar, a location may make arrangements with the student's family to assist with testing. All medications must be kept in the school office or nurse's office and appropriately labeled as described above. School employees may not administer injections to a diabetic student except in emergencies, unless other arrangements are made in advance.

If parents/guardians do not complete the Medication and Authorization Form by indicating the student's prescribed medication, the parents/guardians will have to come to school and personally administer that medication.

SECURITY & EMERGENCY PROCEDURES

State and federal laws require employers, schools, and places of public assembly to provide an environment that is healthy and safe for all. The archdiocese is committed to ensuring that all staff, parishioners, students, and guests can work, worship, learn, and visit without encountering known health hazards or dangerous conditions. As ministers and the faithful, every clergy member, employee, and volunteer in our parishes and schools shall place the safety and welfare of the young and vulnerable above their own safety. Due to the multifaceted services the archdiocese offers in different locations, and in deference to the canonical principle of subsidiarity, as a matter of archdiocesan policy each location is separately responsible for providing a safe, secure, and healthy environment for all.

Emergency Cards Each family must have an emergency card on file in the attendance office that supplies certain, necessary information, including the name of **two** persons who may be contacted in the event neither parent can be reached. **If any changes of address or phone number occurs during the school year, please notify the office immediately in writing. Emergency cards must ALWAYS be up-to-date.**

All school employees are regularly certified for CPR and First Aid. If a child collapses to the ground a staff member or teacher is called to immediately attend to the student, administering first aid as needed. If the injuries or condition of the student appears to be serious, 911 is called and the student's parents are notified.

In case of illness or accident, the school will contact the parent's home or work by telephone and follow the request of the parent. It is understood that enrollment at St. Pius X confers upon the school the obligation to select emergency care providers in the event we are unable to reach parents and that no liability would attach to such a decision in the event that the parents could not be reached.

The school does not dispense medication of any kind, including aspirin unless a prescription has been filled out by a physician.

Earthquake/Disaster Emergency Plan In the event of a serious earthquake or some other type of disaster during school hours: - Please do not telephone the school. Lines must be kept open for emergency use. - School gates will be closed to keep all non-essential persons outside the school grounds.

- During the initial evacuation of the building, students will assemble with their appropriate class on the grass/playground. - All students will be under the care and supervision of school staff until they are picked-up.

According to State law, the student will be released only to a parent/guardian or other specifically designated person. Please be sure your child knows the person you have designated and such is on record at the school. At the beginning of the school year an emergency phone tree will be formed and the Room Parents for each respective

grade will receive phone lists for the children in their class. (**Room parents should keep the phone lists with them at all times, so that the phone tree can be put into use from any location**). The telephone tree is only to be used in the case of an **actual emergency**.

Briefly, instructions for parents are: - Remain calm. - **Do not telephone the school.** - Tune in your radio to the emergency broadcast station and listen for information regarding evacuation of the schools in our area. - When it is safe, come to school, park your car away from the school and walk to the church parking lot area. Report to the adult in charge upon arrival at school in order to properly check out your - child/children. Students will be kept in the safest place on the school grounds. Each student will be holding his/her emergency card which will need to be signed by a school official upon release of the student. Students will be released only to the authorized individuals indicated on the emergency card. It is imperative that the parent assumes the responsibility of keeping the emergency card up-to-date. - Proper identification must be shown before a student is released.

In the event of a campus evacuation: Students will be held in the nearest “safe house” (the church or school hall) or at Little Lake Park which is across the street, directly east of the school. The specific location that the students will be sent to after a campus evacuation will be determined based on the reason for the evacuation. The release of students will be determined by governing authorities on the site. The procedure for dismissal of the students will be the same as for a natural disaster.

If an emergency occurs outside school hours, please listen to your local radio station (AM KNX 1070) and TV news (Channel 9) for instructions on school closure. As a general rule, St. Pius X Parish School will follow the same procedures as those designated for the public schools in the Little Lake School District. Should this occur, a schoolwide email will be sent out.

Fire drills and “drop” drills are conducted throughout the school year, so that students know how to respond confidently and calmly in the event of an emergency.

CAMPUS VISITATION Closed Campus To preserve the academic environment and school security, archdiocesan and parish schools are designated as “closed campuses.” No person may enter the campus unless authorized by the school administration. Visitors must present themselves at the school office if they are seeking information or have business to conduct with the school, and must wear a Visitor’s Pass while on campus.

Parent Visitation on Campus Parents have the primary responsibility for the education of their children. The school supports, enhances, and complements this role. Keeping this in mind, parents are encouraged to take an active role volunteering on campus. Opportunities for involvement include yard duty, assisting in the library, computer lab, or classroom, working with special projects or programs, and working with the hot lunch program. All parents who volunteer for these duties must be Virtus trained and fingerprinted. A parent who does not have legal custody of his/her child, but has visitation rights may visit on campus, subject to the above guidelines and the visitation guidelines, unless the school has received a legal order prohibiting such a visit. All parents visiting or volunteering on campus must sign in at the front office and wear a visitor’s badge while on campus.

****Please do not meet your child at the lunch area or playground during school hours unless you have signed in as a visitor.***

CUSTODY POLICY Divorced or separated parents must file a court-certified copy of the custody section of the divorce or separation decree with the principal’s office. The school will not be held responsible for failing to honor arrangements that have not been made known in writing. Parents have equal access to information regarding their child. Unless there is written notification on file in the office, the school will be required to provide information to parents and/or legal guardians.

Rules for Non-Custodial Parent/Guardian Visits Parents/guardians are responsible for providing any custody orders or other legal documents to the school that they wish the school to follow. Schools should take all reasonable steps to comply with these orders and are advised to ask the parents/guardians to provide the underlying agreements for these matters. The archdiocesan [Office of the Legal Counsel](#) is available to advise on how to handle these matters. The parent/guardian who has custody should be encouraged to present legal evidence to the school regarding the extent of the visitation rights of the other parent/guardian.

If a parent/guardian does not have legal custody of his or her child but has visitation rights, that parent/guardian may visit the child (subject to the school's visitation policy and if the school does not have a legal order prohibiting such a visit). Prior to taking action, the principal must identify the parent/guardian and determine if he or she has visitation rights.

Visitation rights are usually limited by the court to specified days and hours. The principal must be aware of these restrictions. If a parent/guardian without visitation rights attempts to visit a student at school, the principal shall inform the custodial parent/guardian.

Schools may not provide legal analysis of custody orders or advise parents/guardians on the interpretation of custody orders. If parents/guardians disagree on the meaning of a custody order, the parents/guardians must consult legal counsel or come to an agreement on its meaning and provide the school with written documentation of their decision. Schools do not guarantee enforcement of custody orders. If a parent/guardian violates a custody order, schools should call the other parent/guardian, the police, or both for assistance.

Children in Foster Care When a child is in a foster home and the parents/guardians request to visit the child at school, the school shall inform the agency that is responsible for placing the child in the foster home.

REMOVAL OF STUDENTS FROM SCHOOL DURING SCHOOL HOURS No agency, organization, or person other than a parent or guardian who has custody or a delegated school employee is allowed to take a student from the school premises during school hours or immediately before or after school.

Exceptions to this rule may be made only:

- By the parent or guardian, when properly identified
- Upon the written request of the parent or guardian after proper verification
- By properly identified law enforcement officers when an arrest is made
- By properly identified representatives of law enforcement agencies, in case of emergency, as determined by the principal

Legally, the responsibility of notifying the parent or guardian of a student taken from the school by a law enforcement officer or representative of a law enforcement agency rests with the law enforcement officer. However, the principal of the school should also immediately inform the student's parent or guardian except when a minor has been taken into custody as a victim of suspected child abuse, as defined in Section 11165 of the Penal Code or pursuant to Section 305 of the Welfare and Institutions Code.

INTERVIEW AND REMOVAL FROM SCHOOL OF STUDENTS BY LAW ENFORCEMENT A properly identified representative of a law enforcement agency or [Child Protective Services](#) has the right to enter a school to take a student into temporary or protective custody or to make a lawful arrest of a student. In the case of an arrest, the person in charge shall request to see the warrant for the student's arrest or court order issued by the juvenile court. A warrant is not necessary if the officer has reason to believe that the student has violated the law and makes an oral statement to this effect. The person in charge and at least one other staff member should be present to hear and witness the officer's oral statements.

The officer or representative may also remove a student from school with the permission of the student's parents/guardians or, in the case of exigent circumstances, without the permission of the parents/guardians.

Students can be removed from school during school hours by law enforcement only under the following conditions:

- By properly identified representatives of law enforcement agencies who are making an arrest, with or without a warrant, presenting a warrant for the arrest of a pupil, or taking a student into custody without a warrant
- By properly identified representatives of law enforcement agencies when not making an arrest or taking a child into custody as stated above under the following conditions, with the express permission of the parent obtained prior to the release of the pupil and in cases of emergency, when the parents cannot be reached
- By properly identified representatives of a Child Protective Agency when taking a child into custody

Principals must notify the Department of Catholic Schools if a student is removed from school by law enforcement or Child Protective Services.

Student Interviews by Law Enforcement or Child Protective Services In performing their official duties and upon presenting proper identification to the principal or his or her designee, duly authorized representatives of law enforcement agencies and **Child Protective Services** shall be allowed to interview students in those cases where an interview outside of school hours is impossible or impractical or would duly interfere with the enforcement of law.

Law enforcement officers have the right during the school day to interview students who are suspects or witnesses. Child Protective Services representatives may conduct interviews to investigate reported child abuse or neglect.

Before releasing a student for an interview, the person in charge must confirm that the person seeking the interview is properly authorized and presents appropriate identification as well as confirm that the interview is being conducted as part of the interviewer's professional duties.

In the archdiocese it is the policy that the person in charge should inform the parents/guardians that such an interview will take place, except when law enforcement or the agency has a specific reason to not inform the parents/guardians. In all events, it is the policy of the archdiocese that an adult, either a parent/guardian or a school staff member, will be present for any interview unless the student being interviewed elects otherwise.

Student Interviews by Child Protective Services When they are investigating matters involving child abuse or neglect, law enforcement and child protective agencies are entitled under law to interview students and other minors at school or during parish activities. The person in charge must confirm that the person seeking the interview is properly authorized and presents appropriate identification and must also confirm that the interview is being conducted as part of his or her professional duties.

In the archdiocese it is the policy to inform parents/guardians that such an interview will take place except when law enforcement or the agency has a specific reason to not inform the parents/guardians. In all events it is the policy of the archdiocese that an adult, either a parent/guardian or school or parish staff member, will be present for any interview unless the minor being interviewed elects otherwise.

Informing the Parent/Guardian When a Student Has Been Removed from School by a Police Officer While it is primarily the role of the law enforcement officer to notify the parents/guardians that a student has been taken into custody, the person in charge shall also take immediate steps to notify the parents/guardians about the release of the student to the officer and where the student has reportedly been taken. However, the person in charge shall not notify the parents/guardians when a student has been removed from school as a victim of suspected child abuse or the officer has specifically requested that the student's parents/guardians not be notified. In the case of suspected child abuse, the officer will determine whether to notify the parents/guardians that the student has been removed from school. The person in charge shall provide the officer with the address and phone number of the student's parents/guardians.

WORK PERMITS Federal and state laws restrict child labor, regulating the number of hours worked as well as the working conditions. Any employer who hires a minor (under 18 years old) must keep a copy of the minor's work permit on file. Employers must require minors to present a work permit before allowing the minor to work. Students can obtain work permits from the local school district (for public school students) or their archdiocesan or parish school (for Catholic school students). However, a minor who is 16 or 17 years old and has graduated from high school is not required to show a work permit and may be employed for the same hours as adults; evidence of high school graduation must be kept on file.

Ages 16 and 17 A minor can work only a restricted number of hours outside of school. A minor can work for no more than four hours in any day on which the minor is required to attend school. A minor who is at least 16 years old may work up to eight hours on a day that precedes a non-school day. Minors may not work more than eight hours in a day or more than 48 hours in six days in a week. They may not work before 5:00 a.m. or after 10:00 p.m. on an evening preceding a school day. A minor can work until 12:30 a.m. during any evening preceding a non-school day.

Ages 14 and 15 Employers may not hire children under 14 years except in some agricultural jobs. It is permissible to hire 14- year-old and 15-year-old minors. However, there are some special restrictions for this age group. Minors aged 14 and 15 may not work more than three hours on any day in which the minor is required to attend school, more than eight hours on a non-school day, more than 18 hours in a school week, or more than 40 hours in a non-school week. They may work only between 7:00 a.m. and 7:00 p.m. except during the summer (June 1 to Labor Day) when they are permitted to work until 9:00 p.m.

Minimum Wage for Minors California law requires minors to be paid the state minimum wage unless they qualify as learners, who are defined as "employees during their first 160 hours of employment working in occupations in which they have no previous similar or related experience. A learner may be of any age."

Archdiocesan policy requires that all employees of the [Archdiocesan Catholic Center](#), [cemeteries](#), and parishes be paid at least the state minimum wage. Consult with the [Human Resources Department](#) before establishing a wage rate for minors. For additional information, see the [California Child Labor Laws pamphlet](#).

PRIVACY AND ACCESS TO RECORDS Maintaining confidentiality is the legal, ethical, and professional responsibility of every member of the school community, including students, parents/guardians, teachers, aides, and all other employees. Every member of the school community must respect the privacy of all students, families, employees, the principal, and the pastor.

Pupil Records: "Pupil records" means any record related to a student that is maintained by a school or one of its employees. It includes health records. It does not include [directory information](#) or a school employee's informal notes, if the notes remain in the sole possession of the maker and are not made available to others, except to a substitute teacher.

Only the principal, as custodian of the records, may authorize the release of pupil records. Only teachers or administrators charged with pupil oversight have the right to view or use pupil records. A teacher's aide may view or use pupil records only with direct teacher supervision. Pupil records may be released by judicial order, such as a subpoena or search warrant. In specific cases, such as suspicion of kidnapping, police officers may be given access to records.

Parents/guardians of minors have the absolute right to access their child's pupil records in accordance with the school's reasonable procedures for providing such access. Parents/guardians may grant any specified person written consent to access specifically identified pupil records. In cases of legal separation and/or divorce, California state law gives the custodial parent/guardian and non-custodial parent/guardian with visitation rights the right to access and examine pupil records. However, only the custodial parent/guardian may consent to the release of records and has

the right to challenge the content of the records and to write responses to information regarding disciplinary action. A non-custodial parent/guardian without visitation rights has no right of access to records of any kind.

Directory Information: "Directory information" means one or more of the following items: a pupil's name, address, telephone number, date and place of birth, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, and the most recent previous public or private school attended by the pupil.

To the extent possible, the school will minimize access to student phone numbers and email addresses, unless the parents/guardians consent to broader access. To the extent possible, other users of directory information should also try to minimize access to and distribution of student phone numbers and personal email addresses, unless the parents/guardians consent to broader access.

In no cases should commercial enterprises have access to directory information.

Lists of room parents/guardians, students in each grade, phone numbers, email addresses, and any other personal information about families and students are considered confidential and may be used only for the purposes specified.

Release of Directory Information for Tracking Purposes Catholic high schools in the Archdiocese of Los Angeles participate in programs in which students' personally identifiable information is disclosed to school officials for purposes of tracking alumni throughout college.

This data enables schools to better serve their alumni and helps evaluate the effectiveness of schools' curriculum, instruction, and support services.

A school may disclose directory information as defined above to school officials, including contracted individuals or organizations such as the National Student Clearinghouse, to assist the school in tracking its alumni throughout the college. Unless a parent, student, or former student files a notice to prevent disclosure of directory information, a student's information may be released for the purposes described herein.

Any parent or student over 18 ("eligible student") wishing to prevent disclosure of directory information for tracking purposes must file a written notification to this effect with the principal. If a parent or eligible student submits a request to the principal, it becomes effective on the day it is received by the principal, except for directory information that has already been disclosed.

Once a parent or eligible student places a hold on the release of directory information, the restriction remains in effect permanently, unless rescinded by the parent or eligible student. For this reason, each parent and eligible student is encouraged to review the student's demographic data periodically.

Parent Authorization to Use Student's Image, Name, Voice and/or Work Without the written permission of the parents/guardians of a student or minor, a location may not publish or use for noncommercial purposes the image, name, voice, or work of the student or minor. This policy includes but is not limited to publicity, exhibits, printed or electronic media broadcasts, student publications, marketing, or research. The location must obtain the signature of the parents/guardians on the Parent/Guardian Release for Student or Minor (Noncommercial) ([English version](#) and [Spanish version](#)) before any such publication or use.

For additional information, please see the [Archdiocese of Los Angeles Privacy Policy](#) in [Electronic Communications, Copyright, and Acceptable Use Policies](#).

Verbal/Written Confidences Students or parents/guardians may provide confidential information to school employees in many ways. Students may communicate verbally or in writing, such as using a note or writing/journal assignment.

All school employees must respect the verbal or written confidences of students and adults, except in cases that involve the health or safety of students or others. If the confidence relates to a health or safety issue, the school must promptly notify the pastor, principal, other person in charge, or appropriate authorities, keeping in mind the privacy rights that apply. The school must follow the [archdiocesan policy on reporting suspected abuse of children or vulnerable adults](#).

TRANSFER OF RECORDS

Student Transfers and Graduation Whenever a student transfers, the former school shall provide a copy of the Cumulative Pupil Record form and the original health records to the intended school when the intended school requests the information and the student's parents/guardians submit a release. The original Cumulative Pupil Record form will remain at the school.

On the original Cumulative Pupil Record form and in the attendance register, the former school shall record the transfer, reason for the transfer, and name of the school where the student is transferring or entering after graduation. A school will not give official transcripts to students or parents/guardians.

Principals may be required by the county office of education to report the transfer, withdrawal, or expulsion of any student.

The school grants full credit for all work a student accomplishes up to the time of transfer, withdrawal, or expulsion.

Withholding of Records Under California law, a private school cannot refuse to provide student records to a requesting elementary school or high school because of any outstanding charges, including tuition or fees that the student or parents/guardians owe. However, in accordance with school policy, the school may withhold from parents/guardians the grades, diploma, or transcripts of a student pending the payment of certain amounts for damaged property, the return of loaned property, or unpaid tuition or fees.

Cumulative Pupil Record On the official archdiocesan Cumulative Pupil Record form for each student, the school enters full and accurate records, including standardized test results.

Cumulative Pupil Record forms should include only the following information:

- Personal and family data: Name, date of birth, and place of birth of the student, and the name and address of the custodial parent/guardian
- Standardized test results
- A transcript of classes
- Attendance information
- A record of withdrawal or graduation and the location that receives a copy of the record
- Verification of or exemption from required immunization (recorded through high school graduation)

Cumulative Pupil Record forms are kept on file permanently as hard copies in secure fireproof containers or as electronic copies. Only authorized personnel may have access to these records.

HEALTH Health services include vision and scoliosis screening, and audiometric testing. Each student must have a health record card and an emergency card on file. These cards are treated with confidential and professional care and should contain any information necessary for the child's welfare. It is State law that all students have the required immunizations.

All students entering kindergarten must present certification that is signed by their physician stating they have had a

physical examination. Failure to provide the requested verification of immunization and physical tests will prevent the child from being admitted to school. All students entering the seventh grade must have required immunizations to be kept on record. Please contact the school nurse for information. *Also see Immunizations & Inoculations.*

Health Room Students may never go to the health room during class time, recess, or lunch without proper authorization from the classroom teacher, principal or the adult on yard duty. Only simple first aid can be administered at school.

HEALTH RECORDS Every school must comply with all department of public health requirements. Every school shall have on file a health record for each student enrolled in the school. Upon a student's transfer, student health records are forwarded with the student transcript to the receiving school. Schools shall comply with all **Family Educational Rights and Privacy Act** rules as applicable.

For additional information on student records, see **Transfer of Records**.

COMMUNICABLE DISEASES When communicable diseases are identified at a location, the administration shall immediately refer to the reporting requirements of the county health department in accordance with local requirements.

The person in charge shall cooperate with the local health officer on necessary measures to prevent and control communicable diseases.

Communicable diseases and conditions should be reported to the school. As example, please report chicken pox, head lice, measles, mumps, skin and eye infections, etc. We urge all parents not to send children to school if they are sick. If there is any possibility that a child has been exposed to a communicable disease, please check with your doctor before sending your child to school. When a child has been ill, please do not send him/her back to school until his/her temperature has been normal (98.6F/37C) for a twenty-four hour period. Before the student can return to school, he or she must have appropriate permission issued by the department of public health, a physician, or a nurse.

ALLERGIES Some students may have severe, life threatening allergies, such as a peanut allergy. While the school will make reasonable efforts to prevent or minimize an allergic student's contact with allergens, *the school does not promise an allergy-free environment.*

STUDENT ACCIDENT INSURANCE The Student Accident Insurance Program is provided for all full-time students in archdiocesan and parish schools. This program supplements other health insurance maintained by the family and assists only with medical expenses incurred because of accidental bodily injury sustained by students while attending school, while traveling to or from school, or while participating in school-sponsored and school-supervised activities, including school-sponsored **sports, field trips, and extended school day programs**. Information concerning the Student Accident Insurance Program should be provided to parents/guardians by each school.

Please be aware that there is no supervision on the school grounds before 7:15 a.m. and after 3:15 p.m., unless students are active participants in the after-school sports program or the extended daycare program. Once students arrive at school, they should not leave the school grounds for any reason. **If your child cannot be picked up after 3:15 p.m., he/she must be checked into after school daycare.**

CATHOLIC IDENTITY

COMMON PRINCIPLES OF FAITH FORMATION IN THE ARCHDIOCESE

The Church's mission is that of evangelization through which the gift of faith given by God is nurtured and developed. The Archdiocese of Los Angeles, in all its locations, continues Jesus' mission and ministry by proclaiming the message of Jesus, creating community, worshipping as the people of God, and serving all of God's people.

All members of the Church, from the youngest to the oldest, are on a faith journey. The Church supports this journey through evangelization and religious instruction/catechetical ministry.

"At the heart of catechesis we find, in essence, a Person, the Person of Jesus of Nazareth, the only Son from the Father...who suffered and died for us and who now, after rising, is living with us forever" (*Catechesi Tradendae*, 5).

To catechize is "to reveal in the Person of Christ the whole of God's eternal design reaching fulfillment in that Person. It is to understand the meaning of Christ's actions and words and of the signs worked by him" (*Catechesi Tradendae*, 5).

Catechesis aims at putting "people...in communion...with Jesus Christ: only he can lead us to the love of the Father in the Spirit and make us share in the life of the Holy Trinity" (*Catechesi Tradendae*, 5).

Chapter 4 of the Archdiocese of Los Angeles Administrative Handbook provides vision, direction, and resources to help implement catechetical ministry on the local level in a variety of settings and situations. Through a range of programs the one message of Jesus is proclaimed to all. It is written within the context of the teachings of the Church as reflected in the official Church documents, in particular those published or adopted by the Holy See, the U.S. Conference of Catholic Bishops, and the archdiocese. For more information on Catholic Identity and Religious Education in Catholic Archdiocesan Schools, visit <http://handbook.la-archdiocese.org/chapter-4> .

Faith Formation at St. Pius X Parish begins with our preschool through Eighth grade Religion Program.

Religion is taught daily according to the Archdiocesan Religion Curriculum standards (see Religion Curriculum).

- **Morning Prayer:** Morning Prayer takes place Mondays in the courtyard from 8:00 a.m. to approximately 8:10 a.m. Tuesday through Thursday morning prayer takes place in each classroom.
- **Mass Participation:** Religious worship is an integral part of a child's growth and a central part of the Catholic identity of the school. Students in grades K-8 attend Mass once a week on Fridays at 8:00 am, and Holy Days of Obligation at 8:00 a.m.

SACRAMENTAL PREPARATION AS DEFINED BY THE CATHOLIC CHURCH

Sacramental preparation for baptized children assumes that the children have begun a journey of discipleship: coming to know, believe, and become the person of Jesus in the world. This relationship is strengthened by celebrating God's mercy and forgiveness and the gift of Jesus in the Eucharist.

With a strong belief in lifelong faith formation, a minimum of two consecutive years of catechetical formation is required for the reception of the sacraments of reconciliation and the Eucharist. Although the sacraments of reconciliation and the Eucharist usually occur during elementary school faith formation, readiness, not chronological age or school grade, will determine a child's preparedness to encounter Christ in a sacramental celebration. This decision of readiness rests with the parents/guardians and the child in dialogue with the catechist, the parish priest, and the catechetical leadership of the parish. This process affirms the fact that the child celebrating the sacraments is involved communally as well as individually.

Parents/guardians have a right and duty to be intimately involved in the preparation of their children for the sacraments. It is the role of the parish and the school to help parents/guardians grow in their understanding and appreciation of the sacraments in order to be able to participate readily in catechizing their children.

The Church must affirm the role of parents/guardians as primary religious educators and include the whole parish and school community in the initiation of members into the fullness of the Catholic tradition. The Church must meet people where they are and provide opportunities for conversation and conversion and thus make connections between life and faith. **All sacraments are parish-centered celebrations.**

- **Sacramental Preparation:** Parents of any student(s) preparing to receive the sacraments must participate in the Sacramental Preparation Program offered by the school as a condition to their child's reception of First Reconciliation and First Eucharist. At least one parent must attend the mandatory parent meetings.

Any student in a grade level higher than grade two that is baptized and desires to receive Reconciliation and/or First Communion must contact the principal before the end of September to make arrangements for sacramental preparation. There is a required \$55 fee for the sacramental preparation that covers expenses for retreat, and Faith Formation meetings. Any student that is not baptized and wishes to begin the sacramental process must do so through the Parish Religious Education program.

- **Sacraments and Reconciliation Services:** The Sacraments of First Reconciliation and Holy Communion are administered in second grade. Reconciliation services for grades 3-8 are scheduled during the Advent and Lenten seasons.

RELIGION CURRICULUM All schools, whether archdiocesan, parish, or those owned and operated by religious orders, institutes, or governing boards, are required to meet the following Catholic identity standards from the accrediting agency for archdiocesan elementary schools, the Western Catholic Educational Association (*Improving Student Learning*, 2012 ed., p. 41; *Ensuring Educational Excellence*, 2014 ed., p. 10 [click on 1-WCEA E3 2014 Protocol.pdf]):

- The school has a mission statement and philosophy statement that indicates the integration of the Catholic faith in all aspects of the school's life.
- The school provides regular opportunities for the school community to experience prayer and the sacraments.
- The school has a religion curriculum and instruction that is faithful to Catholic Church teachings and meets the

requirements as set forth by the U.S. Conference of Catholic Bishops.

- The local ordinary approves those who teach the Catholic faith (Canon 805) and there is ongoing formation for catechetical and instructional competence.
- The school maintains an active partnership with parents/guardians whose fundamental concern is the spiritual and academic education of their children (Canon 796).
- The school has a service-oriented outreach to the Church and civic community after the example of Jesus Christ, who said, "I have given you an example so that you may copy what I have done to you" (Jn 13:15).
- The school uses signs, sacramentals, traditions, and rituals of the Catholic Church.
- All school personnel are actively engaged in bringing the good news of Jesus into the total educational experience.

Elementary School Curriculum, per ADLA Administrative Handbook Implementing these standards and evaluating and setting goals is a yearly task of the elementary school in a manner that is consistent with the curriculum standards set by the Department of Catholic Schools.

Curriculum components include:

- The Profession of Faith
- The Celebration of the Christian Mystery/The Seven Sacraments of the Church
- Life in Christ; Man's/Woman's Vocation: Life in the Spirit
- Christian Prayer; Prayer in the Christian Life

These components are based on the four pillars of the *Catechism of the Catholic Church*.

Retreat Program: Student retreats are scheduled to provide a calm and quiet atmosphere to encourage spiritual growth. There may also be opportunities included for Junior High students to participate in NET Ministries retreats in the Fall and Spring.

Monthly Christian Service Projects: St. Pius X Parish School supports and participates in yearly Christian service projects including programs such as the Holy Childhood Association, Catholic Charities, Adopt-A-Family, Red Buckets, local food drives, used book collections, jacket/coat drives and more. The school community is committed to aiding the poor, the sick, and all worthy causes that are supported by the teachings of the Catholic Church.

ACADEMICS & CO-CURRICULAR ACTIVITIES

ACADEMIC PROGRAM/CURRICULUM All academic programs are taught in accordance with the California State Board of Education Common Core Standards (<http://www.cde.ca.gov/be/st/ss/>) and are aligned with the Los Angeles Archdiocesan curriculum guidelines and expectations which ensure that Catholic beliefs and values are the foundation for all classes.

The following subjects and curriculum are taught in Transitional Kindergarten through eighth grade:

- Religion
- Reading/Literature/Vocabulary
- Language (writing and grammar)
- Spelling
- Math
- Social Studies
- Science
- Physical Education
- Art

Also integral parts of the academic curriculum are the Computer Lab, integrated iPad program, and the Research Media Center/Library which help to enhance and support student learning in the regular curricular areas. Students utilize technology responsibly in a cross-curricular fashion.

TESTING A variety of assessment is used throughout the school year to assess each student's academic growth and progress. Such forms of assessment used in every classroom are textbook tests and quizzes, teacher created tests and quizzes, projects, portfolios, in-class and outside projects, and teacher observation. In addition to these forms of assessment STAR Reading and Math assessments will be administered 3 times annually: at the beginning of the school year, in late October, late January, and at the end of the year. All students in grades TK-8 will be assessed in accordance with the Los Angeles Archdiocesan scheduling and guidelines.

WORK HABITS & HOMEWORK Work habit violations will negatively affect a student's academic grades and will be

categorized separately from Behavior infractions/Conduct grade. Parents will be informed when this occurs and should communicate with the teacher regularly to find ways to help the student improve his/her work habits and behavior. After school enrichment programs, when offered, is highly recommended (and may be required) for students who have repetitive work habit violations and academic irresponsibility.

Work Habits/Effort Expectations:

- follow directions (oral or written) - participate in class - pay attention in class - have supplies and be prepared for class - have notices signed and returned when directed (including the failure to turn in note(s) from a parent explaining an absence) - be on time to class (when switching from one class to another or coming in from recess and/or lunch) - turn in complete, quality homework/class work on time - have a name/heading on turned in work (this includes quizzes and tests) - have ALL books covered, kept neat, and free of any and all writing

Missing/Late/Incomplete Work (Kindergarten through 8th grades) Missing/Late and/or incomplete assignments (Homework, Classwork, Reports, Projects, Assessments, etc.) will be scored at each teacher's discretion. When incomplete homework is turned in, a student may/may not receive partial credit for the work depending upon quality of work and punctuality. Students may be asked to complete missing/late/incomplete work during recess, lunch, after school, or during other co-curricular activities and classes.

Students that have been ill have one day per days absent to turn in missing homework assignments. For example, a student who has been absent 2 days has 2 days to complete missed homework/classroom assignments. It is each student's responsibility to inquire about any missed assignments upon their return to school after an absence. This policy also pertains to assignments that were given prior to the absence and were due while the student was absent. It is the student's responsibility to turn in the assignments to the teacher upon their return to school.

HOMEWORK TIMES* Average time spent on homework each night should not exceed:

- TK - 15 minutes
- Kindergarten - 30 minutes
- Grades 1-2 - 45 Minutes
- Grades 3-4 - 1 Hour
- Grades 5-6 - 2 Hours
- Grades 7-8 - 3 Hours

*These times are given as a general guideline and will vary from student to student, especially for long-term assignments.

GRADING POLICY Grades are given at the end of each trimester for all academic subjects. Individual student grades are calculated by classroom teachers and include scores for varying forms of assessment, class work, and homework. The following shows the grading scale for grades first through eight. Kindergarteners are assessed according to age appropriate development.

All subjects are graded as follows: All subjects are graded as follows:

Grades TK through 2nd

O = Outstanding (93-100%)

G = Good (87-92%)

S = Satisfactory (75-86%)

NI = Needs Improvement (74% or below)

Skills are graded as follows in grades K-8:

x = Area for Improvement

+ = Area of Strength

Grade Grades 3-8

A = 96-100%

A - = 93-95%

B+ = 90-92%

B = 87-89%

B- = 85-86%

C+ = 80-84%

C = 75-79%

C- = 70-74%

D = 65-69%

F = 64% and below

ACADEMIC AND BEHAVIOR AWARDS PROGRAM Bi-monthly Awards are given to students in grades kindergarten through eight every other month. Awards will be given based on the three categories of the Schoolwide Learning Expectations.

At the end of each Trimester, Honor Roll and Distinguished Honor Roll Awards are awarded to students in grades third through eighth. The awards that students may earn are as follows:

- **Distinguished Honor Roll:** Awarded to any students with a cumulative 96% or higher grade average in the seven core subjects and an O (Outstanding) in Behavior
- **Honor Roll:** Awarded to any student with a cumulative 92% or higher grade average in the seven core subjects, and an O (Outstanding) or G (Good) in Behavior

At the end of the school year, each student's core subjects for the three trimesters will be averaged. Students with a cumulative overall grade point average of 96% or higher in the seven core subjects, and an O (Outstanding) in Behavior will receive an end of the year Distinguished Honor Roll award.

Students with a cumulative, overall grade point average of 92% or higher in the seven core subjects, and an O (Outstanding) or G (Good) in Behavior will receive an end of the year Honor Roll award.

SPORTS AWARDS Students that participate in CYO sports may receive awards that are determined by the coaches and athletic director, but are not distributed to all participants.

TUTORING If a student requires private tutoring or parents wish to have a student tutored in school subjects, the parents are responsible for engaging the tutor and paying all tutoring costs. The school may assist the parents in identifying tutoring resources.

Teachers may not be paid for tutoring students assigned to their classes. With prior permission from the principal, teachers may tutor other students who attend the school and be paid for such tutoring by the parents.

A school may arrange with independent contractors or entities, who are not teachers or staff at the school to provide tutoring on a fee basis. Independent entities must have appropriate licenses, agreements for use of the premises and insurance.

All tutors and entities must comply with the procedures and policies of the extended school day program and the Archdiocesan Guidelines for Adults Interacting with Minors at Parish or Parish School Activities or Events.

RETENTION POLICY The decision to retain a student in the present grade shall be based upon a consideration of the overall welfare of the student, (i.e., carefully weighing academic, social, and emotional factors). The principal, in consultation with the parents/guardians and faculty, shall make the final decision regarding retention.

In the event that retention is under consideration, the following guidelines should be applied:

1. The teacher should notify school administration and the parents if a student is experiencing learning difficulties for an extended period of time. The teacher is responsible for consistent evaluation of learning difficulties and frequent communication with parents.
2. Parents are responsible for checking the child's progress regularly and providing additional academic support for the child outside of school hours. The teacher will provide as much additional support to the child as possible within the regular classroom setting, and other available and appropriate school resources will be provided for the student.
3. If such help proves to be inadequate, the teacher should advise the parents to arrange for outside tutoring and other forms of additional support. In some cases, parents may be advised to have the child assessed by the local school district. In the case of a pupil with a severe learning disorder, it may be necessary to recognize that the parochial school is not equipped to meet the learning needs of every student and that, therefore, a recommended transfer might be necessary.
4. Although the opinions of the teacher(s), parents, and other professionals are significant factors, the final decision to retain or promote a student is the decision of the principal under the administrative guidelines of the Archdiocese.

EDUCATIONAL FIELD TRIPS Each class may participate in one or more educational field trips during the school year. Teachers and volunteer parents will supervise these trips. Each student must have an official field trip permission slip signed by his/her parent or guardian in order to participate. Field trip participation is a privilege, which may be denied to students who do not meet behavioral or academic requirements. Parents will be asked to pay a separate fee per field trip and teachers will commit to keeping fees reasonable. Fundraising efforts may be required to make certain field trips possible. **Students must follow the school's Electronic Communications Policy during field trips.**

All school field trips must be approved by administration. Any trips planned for school students by outside groups by parents and that are not directly supervised by school personnel, such as Washington D.C. and Sacramento trips, will not be mandated by school guidelines. Parents responsible for supervision should not involve school personnel or administration in issues that arise on these trips.

SUMMER ENRICHMENT PROGRAM A four week summer enrichment program may be offered for grades K-8 on a year to year basis based on enrollment numbers. The program will be a mixture of academic subjects and elective classes that focus on hands-on learning. The program is available to all St. Pius X students as well as students from other schools. Those not registered in a Catholic school in the Archdiocese of the Los Angeles must provide proof of immunization.

CO-CURRICULAR ACTIVITIES Purpose Extracurricular activities, including the interscholastic CYO sports program, are offered to all students of St. Pius X Parish School. The extracurricular activities supplement the formal instruction of the students and provide them with an opportunity to grow in leadership, sportsmanship, and self-discipline as they discover and develop their gifts and talents. All of the extracurricular activities seek to develop a sense of social responsibility, decision-making skills, commitment to community, as well as life skills and Christian attitudes. The co-curricular activities that are offered at St. Pius X Parish School are included below.

Eligibility Requirements for Co-Curricular Activities Students who wish to be members of a co-curricular activity conducted under school sponsorship must maintain above average academic grades in all subjects as well as Behavior. The inability to maintain minimum standards will result in a probation period of two weeks during which the student may not participate in any activities, practices, or games. If grades improve during the probation period the student may be reinstated. If grades do not improve, the student is deemed ineligible from all co-curricular activities until the next progress report or report card. Students who are earning a 64% or below in any academic subject, or an NI in Behavior, are not eligible for probation.

In order to participate in any co-curricular activities a student must adhere to the following guidelines:

- Maintain at least a 75% average in all academic subjects and at least an S (Satisfactory) in behavior at all times. A 64% or lower in any subject and/or an NI in behavior automatically disqualifies a student from participating in co-curricular activities until the next progress report or report card.
- Attend the full school day in order to participate in upcoming after school activities, practices, and/or games (this includes a full day's attendance on a Friday before any weekend game or activity)
- Behave respectfully in accordance with Schoolwide Learning Expectations on and off of the school campus, playing field/court, or other venue for co-curricular activities.

Sports Students in grades 5-8 may be involved in an after-school sports program and participate in competitive play as well as privately sponsored tournament play during the school year. Some exceptions may be made for students in 4th grade to participate and will be determined by the Athletic director, classroom teacher, and principal. Students and parents must sign an athletic contract at the beginning of each season and pay the required fees prior to a student participating in any of the following activities: football, volleyball, basketball, soccer, and softball. Parents whose students participate in sports are also required to participate in fundraisers for the athletic program.

Coaches Coaches are selected from volunteers in the parent and faculty community. Coaches must be approved by the Athletic Director and the principal and must agree to abide by the guidelines and Code of Christian Conduct. All coaching staff is required to have the CYO Coaches Card which includes completing Virtus Training and Live Scan Fingerprinting and background check. Any and all communication from coaches must be pre-approved by the principal prior to disbursement.

Student Council Promoting student leadership roles and nurturing leadership qualities are important goals at St. Pius X Parish School. Students in grades five through seven who meet the eligibility requirements may apply to run for Student Council at the end of the school year in order to serve in grades six through eight. Students in grades kindergarten through seventh vote for their choice of council members for the coming school year during the June elections. *Students elected to the Council will be required to pay a fee to cover the cost of meeting materials and designated attire for student council representation.*

In order to hold an office in Student Council, students must maintain an 87% overall grade average and at least a "G" in Behavior. A "D", "F" or "NI" on a progress report or report card will cause a Student Council member to go on probation for a period of three weeks during which those grades must improve. If grades do not improve during the probation period, the student may be permanently removed from Student Council.

Please note that changes are made year to year and requirements stated in the handbook may not coincide with

what students are provided with when running for Student Council.

The use of technology at St. Pius X Parish School is a privilege. It is expected that students will use technology in a manner that exemplifies Gospel values and aligns with the mission and philosophy of St. Pius X Parish School. Each student in third through eighth grade will be required to sign a Digital Citizenship Agreement prior to using the Computer Lab and/or iPads at the school. Parents will also be asked to sign the agreement and support the terms of the agreement.

Consequences of Violations of the Electronic Communications Policy Violations of this policy may result in suspension of electronic communication privileges, confiscation of any electronic communication device or materials, and disciplinary action up to and including **termination of employment**, removal from parish or school activities, **expulsion from school**, canonical review, referral to local or other law enforcement, and other appropriate action.

ELECTRONIC DEVICES & CELL PHONE POLICY Students are prohibited from bringing ANY electronic communication and/or entertainment devices other than a cell phone to school. Students must turn in cell phones to their homeroom teacher at the beginning of the school day and can retrieve it upon dismissal. **St. Pius X Parish School is in no way responsible for the loss, theft, or damage of any prohibited device.**

Students are prohibited from using their cell phones for making phone calls, sending text messages, taking pictures, and/or any other multimedia functions anywhere on campus before school, during the regular school day and/or after school. Students may **ONLY** use cell phones to call parents from daycare/during extracurricular activities after 3:15 p.m with the permission of the daycare supervisor.

Violation of this policy will result in cell phone confiscation and the issuance of a detention. Parents will be called and required to come to the school office to retrieve the cell phone. A \$10 fee can be incurred for multiple offenses.. **St. Pius X Parish School is not responsible for the loss, theft, and/or damage of any cell phone.**

SCHOOL TELEPHONE POLICY

Office telephones are for school business and emergency use only. When an emergency arises, a note from the teacher must be presented to the office before a student may use the telephone. Except in cases of emergency, students and teachers will not be called to the phone. **Forgotten lunches, assignments, and permission slips are not considered to be emergencies. Students will not be allowed to use the phone to call for forgotten items.** Students found to be using the telephone for non-emergency purposes will be held accountable to classroom discipline policy.

COUNSELING POLICY The mission and purpose of the school is education. Schools may not assume the responsibility for psychological counseling or therapy because they are not qualified or licensed to do so.

In addition to providing classroom instruction, schools may engage in the following limited counseling activities:

- Give limited guidance to students who present with non-academic personal issues or situations

If a student reaches the age of consent applicable to the subject matter of the research project, the student must be given the opportunity to provide informed consent. Students have the right to withhold their assent and have the right to withdraw without penalty. Students who are not participants in research studies may not be singled out in any way or penalized.

DISCIPLINE

Discipline in the Catholic school is intended to provide moral guidance and support academic success. Discipline policies and consequences are designed in order to develop strong character, good work habits, and maximum effort in all students. Ultimately, all discipline policies aim to provide a school environment that is conducive to learning for all students, promotes character development and the common good.

Good conduct and work habits are best maintained in a school when parents are recognized as the primary educators of their children, and the authority of school staff, faculty, and administration are mutually respected. In order to fulfill the Mission, Philosophy, and SLEs of the school, all shareholders must work cooperatively and communicate effectively. Therefore, it must be acknowledged that the school's discipline policy extends beyond the school day and beyond the physical school campus.

SCHOOL & CLASSROOM DISCIPLINE POLICIES FOR ALL STUDENTS

St. Pius X students are expected to: - follow school and classroom rules at all times - avoid behavior that contradicts Catholic Christian values and/or negatively affects the learning process - show respect for self and others including teachers, staff, students, guests, and substitutes by using appropriate language and manners - always treat others as you would like to be treated - address all faculty and staff by his/her correct school name (not by his/her first name or otherwise) - avoid inappropriate or violent physical contact - adhere to school uniform policy at all times - respect the property within the classroom and the school grounds by using it as it was intended and by returning all items to their place and in good condition - keep classroom and campus environment clean and organized; avoid littering (this includes each student's desk and personal belongings) - be prepared for class (pens, pencils, homework, books, agenda, etc.) - use class time effectively to complete all assigned tasks neatly and legibly according to teachers' directions - raise his/her hand before speaking or walking around the classroom unless otherwise permitted

Discipline policies apply not only in the classroom, but anywhere on the school campus and in some cases off campus. Discipline policies apply during any and all school-related functions including before and after school daycare and may even extend to non-school related functions. Any teacher or staff member has authority to give infractions/pull cards when inappropriate behavior occurs. All discipline issues and consequences are ultimately decided at the discretion of school administration.

MAINTENANCE OF EFFECTIVE DISCIPLINE Effective discipline is maintained when there is

- Reasonable quiet and order in classrooms and school buildings
- Positive correction of inappropriate behavior
- Constant encouragement of acceptable classroom conduct
- Firm but fair treatment of difficult students
- Consistent follow through and parent communication

DISAPPROVED DISCIPLINARY MEASURES The following disciplinary measures are forbidden:

- All corporal punishment, including shaking and slapping
- Language that is sarcastic or calculated to bring ridicule on the student, his or her parents, or background
- Using religious exercises or important class assignments as punitive measures

- Bizarre and unusual punishments
- Withholding or altering rightfully earned academic grades
- Any disciplinary action that isolates a student without proper supervision

TRANSITIONAL KINDERGARTEN THROUGH SECOND GRADE DISCIPLINE PROCEDURES

- Green Card - Positive/Good Behavior
- Verbal Warning - No additional consequence
- YELLOW card - Time out (5 min.) at recess
- RED card - Detention
- WHITE card - Meeting with the Principal or Asst. Principal of Discipline

Trimester Behavior Grading Scale O = 0-3 Cards Pulled G = 4-9 Cards Pulled S = 10-14 Cards Pulled NI = 15 or more Cards Pulled

THIRD-FOURTH GRADE DISCIPLINE PROCEDURES *Please note that after the first semester (end of second trimester) fourth grade may begin using the same discipline system as fifth through eighth grade.*

FIFTH – EIGHTH GRADE DISCIPLINE PROCEDURES Each teacher will keep a daily record of each student's behavior infractions/violations using Class DOJO. The students' parents will receive a notification if the student has received an infraction.

Trimester Grading Scale O = 0-3 infractions G = 4-7 infractions S = 8-10 infractions NI = 11 or more infractions

Detentions Three or more infractions within one week will result in a detention. **In instances of automatic detentions, a minimum of 3 automatic infractions will be incurred in Behavior.** When a student reaches 11 infractions an **automatic detention** will be given.

EIGHTH GRADE INCENTIVES & REWARDS Being an eighth grade student comes with certain privileges. These privileges can and may be revoked in the event that an eighth grader incurs repeat detentions within a trimester or commits a major behavior violation. Each trimester an eighth grader's behavior will be evaluated to determine if he/she may continue receiving and/or participating in the eighth grade class privileges. Should a student incur more than two detentions in a trimester, he/she will lose one or more of his/her privileges at the teacher's discretion. Also, a lack of effort may affect an eighth grader's privileges.

8th grade Student Privileges include, but are not limited to, the following:

- wearing Class of 2020 t-shirt once a week
 - wearing Class of 2020 sweatshirts daily
 - wearing free dress for the last two weeks of school (begins the week prior to 8th grade trips)
 - participating in 8th grade activities/jobs held during the school day
 - attending class field trips/events (including end of year trips)
 - participating/attending 8th grade year-end events
- **Nail Polish is permitted, only if, earned as an 8th grade privilege

Any and all 8th grade privileges may be revoked due to major behavior incidents at the discretion of the 8th grade teacher and with approval from the principal.

DISCIPLINE CONSEQUENCES The following consequences apply to the entire St. Pius X Parish School student body, including Kindergarten students:

DETENTION Students will be issued a detention if their behavior has warranted detention according to the classroom and/or school discipline policies. "Automatic" detention can also be given as a consequence for a serious behavior violation at the discretion of the teacher. When this occurs, the student will also receive the number of infractions/pulled cards normally associated with detention at his/her grade level and those infractions will negatively affect the student's Behavior grade.

When a detention is given, teachers will keep one copy of each detention on file. Detentions will be sent home every Monday unless school is not in session. For severe cases, the detentions will go home the day of the incident. The detention must have a parent signature and must be returned the following school day in order to prevent further infractions. Students may not serve a detention unless the detention slip has been signed by a parent.

For students in grades 3-8, after school detention will take place one day of the week from 3:15 – 3:45 p.m. If a detention needs to be rescheduled it must be clarified with the teacher that issued the detention and/or the classroom teacher. It should not and cannot be taken up with the detention supervisor. Detentions for students in grades Kinder-2 will be scheduled after teacher and parent discussion.

Repeat Detentions Students that incur repeat detentions within any Trimester will receive the following additional consequences:

- 2nd detention – Phone call and/or Parent conference
- 3rd detention – Parent conference and Behavior Contract
- 4th detention – Consequences from Behavior Contract: i.e. Exclusion from the next school event (Halloween Social, classroom field trips, free dress days, etc.), forfeiture of participation in any and all extra-curricular activities (after school sports game and practice for that week, student council, choir, etc.) **and an automatic NI on report card in behavior.**
- 5th detention – 1 day suspension and forfeiture of participation in any extra-curricular activity for the remainder of the school year
- 6th detention – Parent/Principal/Teacher conference to address the appropriateness of the student's placement at St. Pius X Parish School and possible expulsion

****Missing a scheduled detention will result in another detention****

Detention policies for all students

- No student shall be required to remain in the classroom during the lunch break, or during any recess. All students are required to leave the school rooms at recess and lunchtime, unless it would occasion a danger to health
- Detention before or after school hours is considered an appropriate means of discipline
- A student shall not be detained in school for disciplinary or other reasons for more than one hour after the close of the school day
- Under no circumstances shall a student be detained at school without the knowledge and consent of the parent or guardian who shall also be informed of the reason for detention and the exact time the period of detention will begin and end

Probation A school may accept a student for admission on probation for an initial trial period if circumstances warrant it. The probationary status of the student and the terms of the probation must be clearly documented in writing and signed by the parents/guardians.

A school may decide to place an enrolled student on probation as a disciplinary matter. Disciplinary probation occurs when student's behavior has reached a point where a more serious response from the school is required. If the student's behavior does not improve while on probation, the disciplinary process may lead to suspension and/or expulsion.

Typically, disciplinary probation requires the suspension of activities and athletics so that the student must focus

solely on his or her academic work and behavior.

If a school decides to place a student on disciplinary probation, it must insure that the seriousness of this status is communicated to the student's parents/guardians. Due to the great variety of student offenses that can result in disciplinary probation, a school has many options in determining the extent of a student's probation (limiting activities, no athletics, community service, etc.).

Suspension

- Any of the reasons listed for expulsion with mitigating circumstances are adequate cause for suspension of a student
- No student shall be suspended from school for more than two consecutive weeks, unless there is an ongoing police investigation of a possible crime, in which case the student may be suspended during the entire investigation
- The school must give a notice of the suspension to the parents/guardians verbally by phone, in writing (hard copy or electronic), or in person during a conference.
- The principal shall schedule a conference with the suspended student's parents or guardians to discuss matters pertinent to the suspension, especially the means by which the parents or guardians and the school can cooperatively encourage the student to improve behavior. The suspended student may be present at the conference
- In no case will a teacher on his or her own authority suspend a student

Expulsion Reasons for expulsion are, but are not limited to, the following offenses committed by students:

- Actions that are gravely detrimental to the moral and spiritual welfare of other students
- Habitual profanity or vulgarity
- Assault, battery, or any threat of force or violence directed toward any student or school personnel
- Harassing, bullying, or hazing other students or school personnel
- Open, persistent defiance of the teacher's authority
- Continued willful disobedience
- Use, sale, distribution, or possession of narcotics, drugs, or any other controlled substance

- Use, sale, distribution, or possession of any alcoholic beverages on or near school premises
- Smoking or possession of tobacco
- Theft
- Forgery of signatures
- Cheating or plagiarism
- Willful defacement or damage of school property, real or personal
- Habitual truancy
- Possession of harmful weapons (e.g., knives or guns) or materials that can be used as weapons
- Membership in, active involvement in, or affiliation with a gang or group responsible for coercive or violent activity
- Actions in or out of school that are detrimental to the school's reputation
- Violations of the electronic acceptable use policies and guidelines
- Inappropriate conduct or behavior unbecoming a student in a Catholic school

Procedure for Expulsion Except in cases involving grave offenses, the school must take the following steps to expel a student:

- The principal, teacher, parents/guardians, and student must attend a conference. The principal will advise the

family that the student could be expelled unless there is immediate improvement in the student's behavior. In parish schools, the pastor should be notified of the conference, given an opportunity to attend, and provided a report of the discussion.

- If the student's behavior does not improve, the final decision will be communicated at a second conference attended by the principal, teacher, parents/guardians, and pastor (if applicable). If the parents/guardians fail, without cause, to attend the conference, the final decision will still apply and the parents/guardians will be notified. In a parish school, the final decision rests with the pastor in consultation with the principal.
- In no case will a teacher on his or her own authority expel a student.
- The school will give full credit for all work the student accomplished up to the moment of expulsion.
- In high schools, the Disciplinary Review Board listens to the facts of the case, discusses the matter, and makes a recommendation to the principal.

Written Record The school must keep on file a written record of the steps leading to an expulsion, with copies of all communications and reports. This record should be maintained for one year following the expulsion.

Severe Clauses The teachers and principal will use their judgment in unusual or severe cases of misconduct or lack of effort. Multiple, consecutive weeks in detention will be considered willful defiance and will, therefore, result in serious disciplinary action. In addition, many of the above infractions might deem more immediate and severe consequences depending on the degree or frequency of the incidents. Major violations such as fighting, defiance, cheating, threats aimed at other students or teachers, and violent acts/assault will not be tolerated and will be handled case by case. **An automatic NI in behavior may be given on the report card in any of these instances at the discretion of the principal.**

Academic Integrity/Ethics Integrity and ethics are expected from all St. Pius X students. Dishonesty and unethical behavior are contrary and counter-productive to our philosophy and goals. Dishonesty includes but is not limited to:

- Plagiarism – theft of another's work with or without the knowledge of the other person
- Cheating – use of unauthorized notes, materials, or resources of any kind (help of another student, looking at another's paper, allowing another to copy one's paper, exam or homework)
- Forgery – Falsifying a signature (parent, faculty, administrator, etc.)

- Stealing – taking another's property illegally or without right or permission, especially in secret (as defined in the Oxford English Dictionary).

Consequences for Academic Offenses Copying of homework or class work or any form of cheating on quizzes, tests or papers is a serious offense. At a minimum, this will result in parent notification, detention or possible suspension, a 0% for all parties and assignments involved, and a possible automatic **NI in behavior**. In most cases all parties involved will be suspended. A repeat incident during the same school year will result in a parent/teacher/principal conference to discuss appropriate consequences.

Cases Involving Grave Offenses In a case involving a grave offense, which may include a violation of law or actions so outrageous as to shock the conscience of the community, the student is immediately suspended and there is no requirement to hold the initial conference. The school should follow this procedure when the continued presence of the student at school (even for a short period of time) will pose, in the reasonable judgment of the principal, a serious threat to the health and welfare of students, faculty, or staff.

When a student is immediately suspended and expulsion is probable, the school should clearly explain the rules and consequences of the violation to the student and his or her parents/guardians while the case is being

investigated.

Time of Expulsion A school may immediately expel a student if the reasons are urgent. Only in exceptional cases shall a school be allowed to expel a graduating student who has been in the school one or more years.

For elementary schools, if an expulsion happens during the last quarter of the school year or during the last semester in the case of a graduating student, the school needs prior approval of the Department of Catholic Schools before the expulsion can take effect. It is recommended that high schools consult with the Department of Catholic Schools before expelling a graduating student.

Reporting of Expulsions Even if they occur at the end of the school year, all expulsions are to be reported by phone to the assistant superintendent at the Department of Catholic Schools within 24 hours and subsequently submitted in writing. The school shall immediately notify the county office of education of expulsions. A copy of the Cumulative Pupil Record should be held until requested.

Right to Make Exceptions The principal, in consultation with the pastor (for a parish school), retains the right to make exceptions in cases where mitigating circumstances call for a different response than policy suggests.

Home Study Certain circumstances may dictate that a student, at the discretion of the principal, be excluded from school attendance for a period of time. This is a remedy for unusual situations and is not considered a suspension. The school may give students tests, etc., outside school hours so that grades can be reported. A student placed on home study is expected to pay full tuition. Parents/guardians are responsible for supervising a student on home study.

At the discretion of the principal, any student who is accused of a felony may be placed on home study until the case is resolved.

HARASSMENT, BULLYING AND HAZING POLICY The school is committed to provide a safe and comfortable learning environment that respects Christian values and is free from harassment, bullying or hazing in any form. Harassment, bullying or hazing of any student by any other student, lay employee, religious, clergy, or school volunteer is prohibited. The school will treat allegations of any such conduct seriously and will review and investigate such allegations in a prompt, confidential and thorough manner. This policy shall be communicated clearly to faculty, staff, volunteers, parents/guardians, and students.

Substantiated acts of harassment, bullying or hazing by a student will result in disciplinary action up to and including dismissal of the student. Students found to have filed false or frivolous charges will also be subject to disciplinary action up to and including dismissal. For students in grades Transitional Kinder through third, this disciplinary action shall depend on the maturity of the students and the circumstances involved. For students in grades 4 through 8, the disciplinary action may include suspension or dismissal.

Harassment occurs when an individual is subjected to treatment or a school environment that is hostile or intimidating. It includes, but is not limited to, any or all of the following:

- **Verbal harassment:** Derogatory comments and jokes; threatening words spoken to another person.
- **Physical harassment:** Unwanted physical touching, contact, assault, deliberate impeding or blocking movements, or any intimidating interference with normal work or movement
- **Visual harassment:** Derogatory, demeaning, or inflammatory gestures, posters, cartoons, written words, drawings, images and photos; ***Visual harassment can be communicated in person, in hard copy, or electronically (including on social media)***
- **Sexual harassment:** Unwelcome sexual advances, requests for sexual favors, and other verbal or physical

conduct of a sexual nature.

Bullying is the habitual harassing, intimidating, tormenting, browbeating, humiliating, terrorizing, oppressing and/or threatening of another person. Bullying typically consists of direct behaviors, such as teasing, taunting, threatening, hitting, shoving, and stealing that are initiated by one or more students against a victim or victims. In addition to direct attacks, bullying may also be indirect, such as spreading rumors that cause victims to be socially isolated through intentional exclusion. Whether the bullying is direct or indirect, the key component of bullying is physical or psychological intimidation that occurs repeatedly over time to create an ongoing pattern of harassment and abuse.

Cyberbullying occurs when students bully each other using the Internet on computers, mobile phones, or other electronic devices. This can include but is not limited to:

- Sending inappropriate texts, emails, or instant messages on a personal device
- Posting inappropriate pictures, videos, or messages about others on blogs, social media, or websites
- Using someone else's username to spread rumors or lies about another person

Hazing is any method of initiation or pre-initiation into a student organization or body, whether or not the organization or body is officially recognized by an educational institution, which is likely to cause serious bodily injury or personal degradation or disgrace resulting in physical or mental harm to any student or other person.

It is the responsibility of the school to:

- Establish a policy, provide staff development training, and provide age-appropriate information to students that is designed to create a school environment free from discrimination, intimidation, and harassment
- Make all faculty, staff, students, parents/guardians, and volunteers aware of this policy and the commitment of the school toward its strict enforcement
- Remain watchful for conditions that create or may lead to a hostile, offensive school environment

It is the student's responsibility to:

- Conduct himself or herself in a manner that contributes to a positive school environment
- Avoid any activity that may be considered discriminatory, intimidating, **harassing, bullying, or hazing**
- Inform the other person if possible that the behavior is offensive and unwelcome
- Report all incidents that may be considered discriminatory, intimidating, **harassing, bullying, or hazing** to the principal or teacher
- Complete a formal written complaint (as appropriate and if asked) that the school will investigate thoroughly and will involve only the necessary parties; the schools will maintain confidentiality as much as possible

As appropriate, the students involved may be asked to complete a formal, written complaint which will be investigated and will involve only the necessary parties. Confidentiality will be maintained as much as possible.

STUDENT THREATS The school will take all student threats seriously, including those from students that threaten to inflict serious harm to themselves or others or to destroy property. Whoever hears or becomes aware of any threat made by a student should immediately report it to the pastor, the principal, or a teacher. The principal should notify the police and the Department of Catholic Schools immediately.

The student who has made the threat should be kept in the school office under supervision until the police arrive. The parents/guardians of the student who has made the threat will be notified by the school. Any student or adult who has been identified as a potential victim, or mentioned in writing as a potential victim, should be notified immediately.

The student who has made the threat shall be suspended until the police and school investigation has been completed, and at that time the student may face other disciplinary sanctions, up to and including removal from

school.

The school will take all actions of a threatening nature seriously, including practical jokes or offhand comments, and the school will investigate them. The school may suspend or remove a student from school while the investigation is pending.

On a case-by-case basis, the pastor and principal will make any decision to re-admit a student who has made a threat.

This student threat policy shall be communicated clearly to students, parents/guardians, faculty, staff, and volunteers.

SCHOOL SEARCHES Students' legitimate expectation of privacy in their person and in the personal effects they bring to school must be balanced against the school's obligation to maintain discipline and provide a safe environment for the school community. School officials may conduct a search of a student's person and personal effects only upon a reasonable suspicion that the search will disclose evidence that the student is violating or has violated the law or a school rule.

If school officials have a reasonable suspicion that the student has violated or is violating the law or a school rule, school officials do not need a warrant or permission from parents/guardians to conduct the search.

A "reasonable suspicion" may be established in many ways, including but not limited to personal observations, information provided by third parties or other students, or tips provided by law enforcement. An alert from a trained and certified detection dog is sufficient to establish a reasonable suspicion and serve as the basis for a warrantless search of the student's person, locker, car, or personal property and effects.

Whenever a school official conducts a search of a student's person or personal effects, an adult witness should be present. The school should notify the student's parents/guardians of any search of a student's person or personal effects.

Expectations of Privacy A student does not own a locker/desk or other school property. The school makes lockers/desks available to the student. The student does have some expectation of privacy in his or her locker/desk from other students. However, a student does not have a high expectation of privacy in his or her locker from the school and may not prevent school officials from searching the locker if the school official has a reasonable suspicion that the student has violated or is violating a law or school rule.

A student has a greater expectation of privacy regarding his or her person and personal effects. A school official who conducts a search of a student's backpack, purse, clothing, cell phone, or other personal effects must have a reasonable suspicion that the student has violated or is violating a law or school rule. Strip searches or searches that include a student's underwear may only be conducted by law enforcement and may not be conducted by a school official.

Every student is subject to the Acceptable Use and Responsibility Policy for Electronic Communications ("Archdiocesan AUP") and Archdiocese of Los Angeles Privacy Policy of the archdiocese and school; these types of policies concern cell phones and other electronic devices, whether the devices belong to the student or the school.

Student Cooperation If a student refuses to cooperate in a reasonable search of school or student property (including electronic devices), the school may call the student's parents/guardians and/or the police for assistance or referral.

Confiscating a Student's Personal Property If any of the student's items are confiscated, the person in charge should document the confiscation and when possible, take a photograph of the place where the confiscated object was found and of the object itself. It is also recommended that the school obtain a signature from the student acknowledging that the item was in his or her possession at the time it was found.

STUDENT SEXUAL CONDUCT AND PREGNANCY The following guidelines of the Archdiocese of Los Angeles call upon clergy, religious educators, teachers, youth ministers, young adult ministers, family life ministers, parents/guardians, and Church leaders to collaborate in fostering among all age groups a healthy and holistic Christian attitude toward human sexuality.

Catholic Vision of Human Sexuality Human sexuality and sexual morality are studied within the context of moral formation in Christ. The *Catechism of the Catholic Church* and the U.S. Conference of Catholic Bishops' *National Directory for Catechesis, Doctrinal Elements of a Curriculum Framework for the Development of Catechetical Materials for Young People of High School Age*, and *Catechetical Formation in Chaste Living: Guidelines for Curriculum Design and Publication* provide authors of textbooks and teachers with a holistic view of moral formation and formation in sexual morality.

A positive and balanced Catholic view of sexuality begins with the premise that human sexuality is a gift from God in whose image human beings are created. Human sexuality should be viewed as a gift possessing inherent goodness and properly placed within a faithful, fruitful, and lifelong marriage (*National Directory for Catechesis*, 45.F). A primary purpose of Catholic education in a school, religious education program, or another parish program, whether for youth, adults, staff, or clergy, is to guide all persons in the growth and formation of Christian values and moral conduct, including Catholic teachings on the sanctity of all human and family life and a recognition that the sanctity of family life is enhanced by a loving, permanent, and mature commitment in marriage.

While psycho-sexual development is an important aspect of the transition to Catholic adulthood, Catholic moral teachings frame this process through age-appropriate expressions of affection, friendship, and love. Parents/guardians are expected to love and respect each other and their children. To their children, they are to be the principal role models, examples, and educators of these teachings. All faithful are called to continue their formation and serve as examples for others throughout their life. Those who are not married should reserve for marriage the expressions of affection that belong to married love.

"All the baptized are called to chastity. The Christian has 'put on Christ,' (Gal 3:27) the model for all chastity. All Christ's faithful are called to lead a chaste life in keeping with their particular states of life. At the moment of his Baptism, the Christian is pledged to lead his affective life in chastity" (*Catechism of the Catholic Church*, 2348). Chastity is not limited to sexual conduct, but includes moral decision-making and mutual respect for people, through interactions with others and respect for one's own body. Accordingly, whether in thoughts or acts, lust, masturbation, fornication, adultery, prostitution, pornography, and rape involve a disregard for the call to chastity.

Pornography and sexting immerse all who are involved in the illusion of a fantasy world. They offend against chastity because they pervert sexual acts. They do grave injury to the dignity of participants: actors, vendors, the public (see *Catechism of the Catholic Church*, 2354).

Sexual activity that is unwelcome, that threatens an individual or involves any misconduct by a youth or an adult toward another person, not only violates these moral teachings but also may be unlawful under civil law. Misconduct, whether it occurs in the school, church, home, or elsewhere, may be subject to mandatory reporting laws and can subject youth and adults to criminal sanctions. In certain circumstances, sexual conduct, even if it is apparently consensual, must be reported and can have criminal implications if one of the participants is not yet 18. For more information, see Safe Environment.

Education in Human Sexuality Education in sexuality is a continual process, an invitation for people to grow and develop as morally mature sexual beings, regardless of age or calling in life. Parents/guardians are the first educators of their offspring. In our Catholic tradition, education in human sexuality begins with them as parents/guardians and educators imparting understanding and knowledge in the context of Catholic teachings and its vision of the development of morally mature sexual beings. A Catholic vision of human sexuality, from childhood through adulthood, affirms that:

- All human life is created in God's image and has inestimable value.
- All persons are challenged to develop moral decision-making skills that would enable them to make

responsible choices in human sexuality.

- All persons, while recognizing that weakness and sinfulness are part of the human condition, are called to respond with compassion and understanding to those who misuse the gift of human sexuality. Interior transformation in light of the Paschal Mystery and the role of grace, virtue, formation of conscience, and sin are foundational themes that pave the way for a balanced approach to human sexuality.

The ultimate objective of education in human sexuality is the personal realization of total sexual identity and the effective maturation of the person. The purpose of education in human sexuality, whether formal or informal, is threefold:

- To give each person an understanding of the nature and importance of sexuality as a divine gift, a fundamental component of personality, and an enrichment of the whole person
- To give each person an understanding of chastity as a key virtue that develops a person's authentic maturity and makes one capable of guiding the sexual powers in the service of love and integrating it into psychological and spiritual development
- To give each person an appreciation that sexuality is intended to express and to lead all to a knowledge of, respect for, and sincere personal adherence to the moral norms regarding sexuality that are taught by the Church

Educational Framework for Human Sexuality Programs and courses in human sexuality must be holistic, positive in their approach, and based on the fundamental truth that all human life is created in God's image and has inestimable value. "Sexuality affects all aspects of the human person in the unity of his body and soul. It especially concerns affectivity, the capacity to love and to procreate, and in a more general way the aptitude for forming bonds of communion with others" (*Catechism of the Catholic Church*, 2332). Education in human sexuality must be designed to assist each person in the Catholic Christian community to form a correct and informed conscience in order to be morally responsible. Persons given the responsibility of assisting others in their sexual formation should be:

- Committed to their own growth in sexual development
- Accurately informed with the necessary knowledge to discuss sexual issues
- Able and willing to follow and communicate authentic Church teaching regarding sexual morality "with authority, candor, sound reasoning and fidelity" (*Human Sexuality: A Catholic Perspective for Education and Lifelong Learning*, p. 25)

Those engaged in human sexuality education and formation must demonstrate, in word and attitude, a sensitivity to gender issues by presenting the equality of the sexes as designed by the Creator and discourage stereotyping and/or exploitation of the sexes.

Curriculum content and concepts must be introduced at maturity levels according to the emotional, intellectual, and physical development of the person. Programs and courses in human sexuality formation require ongoing collaboration and evaluation involving those affected by the process. The decision to implement programs and courses in human sexuality education must involve parents/guardians, pastors, teachers, catechists, and other leaders in catechetical ministry. Parent/guardian representation is important in setting goals and selecting programs and courses for children and youth. All parents/guardians should be given reasonable opportunity to preview the selected materials. Having studied a program, they have the right to remove their children from any human sexuality course. In addition to formal instruction, consideration should be given to providing informal opportunities to address these issues, including activities such as retreats and other programs.

The content of the instruction and the textbooks and supplementary materials must conform to the authentic teachings of the Church as proposed in the *Catechism of the Catholic Church*. The promotion of Catholic Christian values in the midst of the pervasive influence of media (advertising, books, films, magazines, music, radio, television, videos, and the Internet) requires that:

- Media be considered a valuable and effective educational tool

- Care be taken to provide the learner with the skills of discernment in the use and evaluation of all forms of media, particularly the media of the Internet
- Prudent judgment be exercised in the selection and use of all media for human sexuality programs and courses

Pregnancy Involving Students or Other Minors Should a pregnancy occur involving a student or other minor, the entire school or parish community should offer Christian support to the mother and father to assure appropriate prenatal medical and counseling care so that the pregnancy can be brought to term and the infant will have an opportunity to grow and be nurtured as a child of God. In such circumstances, the principal, pastor, youth minister, and other appropriate staff should meet with the pregnant couple and their parents/guardians to plan for the pregnancy, including discussing alternatives to school and religious education arrangements that are appropriate for the needs, health, and safety of the child in the womb, the pregnant couple, and the school or parish community. In schools, the principal, in consultation with the Department of Catholic Schools and the pastor (for elementary schools and parish high schools), shall review all aspects of each case and make a determination, based on the particular circumstances, of the need for any schooling accommodations or arrangements.

In cases of pregnancy, the father (if known) and mother of the child should be encouraged and assisted to obtain professional medical care and counseling consistent with Catholic teachings, including teachings on the immorality of abortion. The Department of Catholic Schools can assist in the process and serve as a resource for services and referrals.

GUIDELINES RELATED TO POSSESSION AND USE OF ALCOHOL AND CONTROLLED SUBSTANCES All school policies must comply with state and federal laws that prohibit the use, sale, or delivery of alcohol to persons under 21 or of controlled substances to persons of any age, without a prescription. The policy should be clearly articulated in the parent/student handbook. The school should consult law enforcement agencies when an alcohol or controlled substance violation occurs or the school learns of a violation, with each case judged individually.

If students or their friends experience problems related to the use of alcohol or controlled substances, the students should be encouraged to seek help from a school counselor for themselves or their friends. School personnel should have access to public or private resource agencies for substance abuse rehabilitation so that they can offer help to students and parents/guardians.

If a student is known to be dealing in controlled substances or providing alcohol on or off campus, or if a student is convicted in court for sale, possession, or use of controlled substances, the student may be **asked to withdraw** from the school or **may be expelled**.

PROCEDURES IN THE CASE OF SUSPECTED POSSESSION OR USE In cases where school administrators suspect a student's possession or use of alcohol or controlled substances on campus, school administrators should follow these procedures:

- Evaluate observable symptoms.
- Attempt to determine if the student is in possession of alcohol, drugs, controlled substances, or other harmful substances.
- Interview the student in the presence of an adult witness.
- Request the student's cooperation in **conducting a search** of his or her person and possessions (the search may include the locker, other locations on the school grounds, or the student's car, backpack, or purse if administrators suspect that controlled or other harmful substances may be hidden).
- Determine if the student needs medical attention; if the student requires emergency medical treatment, contact the parents/guardians and follow the instructions on the **student's Emergency Card**.
- Recommend that a physician examine the student.
- Provide information to parents/guardians regarding the availability of public or private resource agencies for

rehabilitation.

In cases where school administrators verify a student's sale or possession of alcohol or controlled substances, school administrators should follow these procedures:

- The administrator should confiscate all physical evidence obtained as a result of the investigation: seal the evidence in a container bearing the date and time of confiscation, the name of the student from whom it was confiscated, and the signature of the person who confiscated it.
- The administrator should consult police. The degree of police involvement will be determined in each case.
- If the **student is arrested and removed** from school, the law enforcement agency notifies the parents/guardians prior to the time that the student would normally return home from school. However, the school principal shall take immediate steps to notify the parents/guardians about the release of the student to the officer and where the student is reportedly being taken. See **Removal of a Student from School during School Hours**. Even if an arrest does not occur, the student may be **suspended from school**. The school should promptly arrange a conference with the parents/guardians and student.

2019-2020 UNIFORM POLICY

St. Pius X Parish School students wear uniforms in order to promote equality, community, and academic success. The wearing of uniforms is a significant part of Catholic education tradition. Wearing uniforms encourages students to focus more on learning about their faith, developing personal character, and growing academically rather than

being distracted by fashion trends or preoccupied with outward appearances. The school uniform policy and guidelines also aim to instill responsibility, neatness, and pride. The uniform policy/dress code is intended to maintain a school environment that exemplifies Catholic values and is conducive to learning. Financial burdens upon families will always be considered when changes to the uniform policy are made.

Principal's Discretion

Fashions and trends **may not be specifically identified** in the uniform policies and guidelines; however, the principal has the discretion to decide what attire, hairstyles, and/or fashion trends are appropriate or not appropriate for the school setting. The school administration reserves the right to require the parents to bring an appropriate change of clothes if a student is inappropriately dressed, or remove a child from the school and/or give behavior consequences until any inappropriate aspect of a student's appearance is corrected. If parents are uncertain about any of the dress code or uniform policies, please check with the school office before you make a decision about purchases or haircuts.

Dress Code Violations

In the event that a student does not abide by the school uniform policy or dress code, ANY TEACHER OR SCHOOL FACULTY OR STAFF will immediately give a verbal warning and the student must immediately correct the violation if possible. If correction is not immediately possible, the student may be sent to the office to call home, and a uniform violation notice may be issued. The notice is to be taken home, signed by the parent and returned the following school day. Students may also be issued infractions, detentions, and/or suspensions for violating the uniform policy and dress code which may negatively affect student's conduct grade and may prevent them from participating in school activities and events. In cases of serious violations, parent communication and cooperation is essential so that the parents and school may work together to remedy the situation. ANY STUDENT FOUND TO BE WEARING UNIFORM ITEMS WITH AN OUTDATED LOGO WILL IMMEDIATELY BE ASKED TO REMOVE THE ITEM (IF POSSIBLE) AND RECEIVE A UNIFORM VIOLATION.
